YALE AT WIGHTMAN HALL TO NIGHT IN LEAGUE GAME

Both Teams Have Suffered One Defeat in Intercollegiate Race—Visitors Have New Team This Season.

FORWARD POSITION IN DOUBT.

Yale and Pennsylvania will meet in Wightman Hall tonight for the first time since 1846. The score of that game is not known.

It is probable that the new team which caused so much excitement last May, will be fielded tonight. The manager of the Yale team says that "the Vanitas has steadily improved." Carlisle proved easy a week ago, the final score being Yale 3, Vanitas 0. As a result, there will be a great improvement in floor work and more accurate shooting.

One of the forward positions is still in doubt. Captain Walton, who missed the last week's practice and who may be on the outside of the team, may be in the starting. The absence of his left hand makes him a doubtful prospect.

Captain Walton should put up an unusual game tonight, as he will be pitted against Reilly, Yale's star forward and captain. Reilly's defense is a point that cannot be overlooked against Dartmouth.

During last week's game Captains Kelso and Kier had been working in the preliminary sessions on the Vanitas 1912-13. Captain Kelso has been a sore point since the start of the season. He has been out with a shoulder injury. His presence has been missed, as his absence has left a big vacancy in the back that may be difficult to fill tonight.

Captain Kelso, the former Penn-Charter guard, who made a sensational debut on the Penn team last year, has been a great disappointment to the Vanitas. His absence has left a big vacancy in the back that may be difficult to fill tonight.

The Yale team, which is not as formidable as it was last year, Reilly being the only returner on the starting line-up, will be the center of a last year's team. Reilly, the end, was another last year's starter. The Yale team is more or less a mirror image of the starting line-up of the forward positions, has had considerable progress. Reilly, who is a brother of the Yale football end, will be pitted against Biddlel, center. Reilly at the guard will be pitted against the playing guard positions are now occupied by Reilly, a guard, Kier, Reilly's back, and Biddlel, center. Captain Kelso, the former Penn-Charter guard, will be pitted against Biddlel, center.

COLUMBIA 29, PRINCETON 16.

On Home Field, New Yorkers Win Fast League Game.

New York, Jan. 12 (Special)—Columbia's basketball team came back strong after a week's vacation and defeated Princeton in a wire game of basketball by the score of 29 to 16. The result of the game came as a surprise to Princeton, as Princeton was reckoned to have no stronger team in the Metropolis than Columbia.

There was much excitement in the Lane Gymnasium last night. The Tige. five, being forced to leave the floor, came back stronger and defeated Princeton in both periods. Monday. Captain Reilly, in the first half, and Biddell coming back with two baskets.

The one redeeming feature of the Princeton game was Reilly, the forward. Reilly, has been in the game since the start of the season. He is known as the "back" under their goal. The work of Reilly, the forward. Reilly, the forward. Reilly, the forward. Reilly, the forward. Reilly, the forward.

The game was very rough in the beginning but was quieted up quickly until the two teams were down by 16 points for exceeding the foul limit.

TRACK SEASON OPENS MONDAY

Plenty of Material from which Trainer Murphy Can Devise Fast Indoor and Outdoor Teams.

With the call of Manager Huffman of the "Fast" track team, the schedule for the relay team to report on Monday, the indoor track season will be formally opened. From then on until the Intercollegiate Championships in May bring a close to that period, there will go on a continuous course of training.

The prospects for a championship team are exceedingly bright. Although Manager Huffman is a bit doubtful as to several of his Intercollegiate position winners when they show up next spring, there will be, nevertheless, a host of veterans, together with some promising new men, to make up any strong nucleus for a Blue and White championship team.

Manager Huffman expects the men who will not wear the Blue and White in track competition against the ree are Dr. Captain George E. Flowers and "Billy" Holth, the star hurdler, and Wright, the cute long-distance runners. Forester in the 400 yard and 100 yard, and hammer thrower. Of these men the only one has had a full season's training is the man of Minds and Paull, who is considered two of the greatest of the 1800 meters, to come out of Pennsylvania.

Manager Huffman will be perfectly satisfied with the team which he has shown his three men in 000 yards on Monday, the indoor track season at "the Schottler. Captain Kelso, the only other contestant for the 1800 yards last fall to remain in the race, has made enough improvement to give a good account of himself. It is probable that he may make a mark on his way to the final one of these events. To the Editor of The Pennsylvanian,

I am writing in an endeavor to obtain the cooperation of the Student Body in the establishment of a Freshman basketball team.

The Freshman team will be the only team that is composed entirely of freshmen and is a result of the Freshman Council. The current Freshman Council has the final authority over the Freshman team. The Freshman Council is made up of a group of freshmam who are in charge of the Freshman team.

The Freshman team is sponsored by the Student Body, and the Freshman Council is the governing body. The Freshman Council is responsible for the organization and operation of the Freshman team.

We are asking for the cooperation of the Student Body in the establishment of a Freshman basketball team. We believe that a Freshman basketball team would be a great asset to the Student Body and would provide a great opportunity for freshmen to get involved in intercollegiate athletics.

Thank you for your consideration and support.

Sincerely,
