PROVOST BACK AFTER RECORD TRIP TO DENVER
Traveling Twenty-Five Hundred Miles to Attend Annual Banquet of Rocky Mountain Alumni Association.

IS PRESENTED A CHIME CLOCK.

Provost Smith returned to his office at the Harrison Laboratory yesterday, after making a record-breaking trip of two thousand five hundred miles to the Rocky Mountain Alumni Association at their annual banquet in Denver. The Provost had traveled twenty-five hundred miles to be with Pennsylvania's loyal men in the West. He was greatly pleased with his visit and with the strong Rocky Mountain Alumni Association. Provost Smith left Philadelphia last Thursday and reached Denver Saturday night at 7:30 o'clock. For four hours the train was delayed but wired ahead that he was on his way. He was kept waiting to turn to dress on the train. When the Provost arrived at Denver, it was a large delegation of alumni on hand to welcome him. Several alumni and photographers besieged the train and after the party was taken and the reporters asked him a hundred questions.

"They wanted to know," said Dr. Smith, "but to have a good man for President and if I thought an excellent candidate for the West was the only man that was ready, I would have thought in the next few years."

Sixty men were present at the banquet and an active Interest in the plays while attended to the decorations, and it was partly on the part of the modern dances, and it was partly on the part of the modern dances. Twenty-six dates of which at least every third one will be a treat, will constitute the regular part of the entertainment, and all of the dates will come after this regular program is concluded. If it is correct, it will come about half twelve, will follow the thirty-six.

Tickets may be secured from 1 to 2.50 from the office, or may be purchased from any member of the Society.

RED AND BLUE OUT.

Literary Monthly on Campus Today. Good Stories and Well Illustrated.

The "Red and Blue" appears today with its usual collection of local and national events. In addition to the continuation of Edward A. Moody's story, "The Guard that Failed," here is a story by Robert C. Tupper, called the " Moral Market," and a sketch on "Northern Winter Sports," by A. W. G., which is as good a story as any that has been told for some time. Another story is also an answer to R. M. E.'s essay, "Hath Not a Sunbeam?" by Mr. Grylls, entitled "Music Americano." In connection with the story, "The Red and Blue" is an article on "Al Capone of the Mixed Drinks," by W. M. B. C. and the editor-in-chief of the Millay Daily. The cover design, by Mr. R. L. H. Brown, is very attractive. As we are, as a whole, quite up to the standard of the Society, and the two new clubs, the Crimson and the Blue, are also making a great many other " Red and Blue" Out.

DECORATORS BEGIN WORK ON GYMNASIUM
Athletic Arena to Be Transformed into Green and White Ball Room with Novel Lighting Effects.

"TWENTY-SIX DANCES AND SUPPER"

The first steps to prepare Washington Hall for the most important and most complete social event of the college year, the Ball, were taken yesterday afternoon when a number of workmen started to arrange and to decorate the room for the dance. All the regular equipment of the gymnasium will be thrown out for the second act to the delight of the formers.

One of the important features of "Miss Helen of Troy," is the fact that the play is carried on in a hall which in both acts, which has been not the case in the majority of plays produced in the college theater.

The play itself deals with the modern, diverse question and offers ample opportunity for honor and satire. The two scenes are: "On the Streets," and "In the Masked Ball." The play was presented by the Committee, composed of C. B. Morgan, Jr., J. H. Smith, W. F. Winter and Clement.

MUSIC AND WAG CALL ISSUED
Chorus Candidates Will Register on Friday and Receive Music and Wag Call List Saturday Before Mid-Years.

Immediately preceding mid-years, examinations candidates for the Chorus will register on Friday, Jan. 25, between 11 and 2, at the club house, 310 st. room. The first tryouts will be on Saturday, January 27, at 16 o'clock. Any ten minutes of music, and wags call list is issued to the chorus of "Miss Helen of Troy." This is the play's most important. It has been written by Charles Gilpin, M. L., while Stage Manager Morgan is in charge of the affairs for the second act to the delight of the formers.

"The Desert of Mahomet," while Gilpin has written his greatest work, has been a great deal of work and wag call is quite essential.

The management is determined that any man who has the ability in dancing or singing to come out for the chorus is a necessary. Have you tried to try for the play, as now and then you may be able to develop. The tryouts on Saturday will also run after until midnight, when a call will be taken for auditions and work will be started in earnest.

COMMUNICATION.

The Editor of the Pennsylvania.

Just wanted to make a point regarding the unfair nature of the criticism you mentioned. While the photographer may have made a mistaken choice of words, it is important to remember that the intent behind the photograph was to draw attention to the plight of the homeless. The photographer is not responsible for the misinterpretation by others.

The truth is sometimes hidden behind the lens of a camera. It is our responsibility as photographers to capture moments that shed light on important social issues. The photographer's goal was to bring this issue to the forefront and encourage action. It is disappointing to see the negative response, but I believe the photographer's intentions were genuine and well-intentioned.

Thank you for your understanding and support. It is important to keep these conversations respectful and constructive to move forward.

Sincerely,

Track Entries Announced

Fourteen Milers Entered in Big Inter-collegiate Handicap Race on Saturday Night.

Announcement was made yesterday of the men who will represent Pennsylvania in the one-mile inter-collegiate handicap race in the games of the Military Athletic League, which will be held on Saturday night at the Second Regiment Armory.

At the same meet the Freshman and Sophomore relay teams will clash in the second athletic struggle of the year between the two lower classes. The teams to represent the two classes will not be picked until Thursday, when trials will be held at 5 o'clock. The Freshman team will be chosen from among the following candidates: D. S. Limpert, J. E. Long, C. A. Garvin, R. Swigert, T. Y. Cooper and E. R. Alden.

The Sophomore team will be picked from T. D. Colburn, H. MacGowin, A. Langner, W. K. Breeder and H. A. Beaton, Jr.

Coach Haydock had the men work on the indoor track yesterday and seemed pleased with the material at hand. The milers were put through a workout in preparation for next Saturday's race, while the Freshmen and Sophomores were also training in preparation for the 440-yard trials to morrow. Haydock gave special attention to the Freshmen in trying to get a line on the new candidates.

Owing to an error, it was stated in yesterday's paper that the indoor track schedule had been ratified by the Faculty Athletic Committee. The schedule has not yet been ratified by the Faculty Committee, but has been accepted by the Board of Directors of the Athletic Association.

FRESH EXECUTIVE COMMITTEE.

Butler, Shoemaker, Brown and Lee

Elected—McWilliams in Charge.

H. Butler, H. Shoemaker, C. E. Brown and A. Lee were elected members of the Freshman Executive Committee and W. McWilliams was chosen Class Manager at the Freshman Class meeting yesterday noon. Both elections were close and the successful candidates could not be picked until the last few ballots were counted.

Two of the Executive Committee, Lee and Butler, came from Harvard, where they played on the football team, and the former was the star of the base ball team. Both of them won their alma maters on the Freshman football team last fall.

Shoemaker graduated from Penn Charter and stroked the Freshman crew. He is also a track star.

Brown came from Minneapolis and McWilliams is a graduate of Central High School.

Following the elections, C. W. Wil- liams, chairman of the Freshman De- bate Committee, appealed to all who had the slightest talent in speak- ing to come out and try for the debating team. Arrangement of the best trials will soon appear in The Pennsylvaniaian.

The debating schedule will include the annual debate with the sopho- mores, the last of March, and a debate with the Central High School team, the middle of April. Arrangements are being made for a triangular debate with the Cornell and Columbia Presid- ents. This movement was started last week.
