spendid student membership has been made possible by the greater fee charged for membership, a system which has been adopted as necessary by as many as a number of sister universities.

Michigan last week established a rule that every undergraduate should become a member of the Athletic Association and pay an annual membership fee of ten dollars. If more money is imperative, who ask the University authorities to adopt a similar rule so that instead of having half the student body enrolled with a fee of ten dollars a year, at least as much more money as possible, more could be paid by creating that the entire student body should participate in the educational advantages which are to the benefit of the present fee.

If this is not possible, let not any undergraduates to become members at the present fee of five dollars, because that number of students without exception it has been approved.

BASE BALL SQUAD GROWING.

Last Year's Freshman Report 1-30
Today—Good Material.

The base ball equal which is working
out daily under Coach Roy Thomas
will be tendered today when the
members of last year's Freshman team
report. They will make the equal
complete with the exception of last
year's Varsity players, who are
scheduled to report a weak a from
today.

The University and the shorting of
the 111 team, it looked upon as a
strong conference for an infield posi-
tion. He will probably be tried at sec-
ond base to fill the vacancy caused by
Dillidridge's graduation.

West Pointers took third base on last
year's Freshman team and was a
first baseman. He is well along in
materially good health. He will try hard to be a part of
the team this year.

Davis, who played second base for 111,
did not return to college this year.

Pedro, the first baseman, will report
today, but he will have a hard task
heading out Millard for the position.

Of the outfielders on last year's Freshman,
Coats and Burre are the only two who
hav'e returned. They will have to compete
against Currier, Thaw, Harker and
Gordon for places.

There is an abundance of catchers—
Gordon and Hawke from last year's
team, and Myhi and Patric the two
backstoppers on the 111 team. Minds
has not reported yet.

Bae, the star pitcher of last year's
Freshman, has been sick, and will be
unable to report for a couple of weeks.

FENCERS LOSE TO THE ARMY.

West Pointers Experience Proves Too
Much for Green Team.

The University Fencing team met
defeat at the hands of the Army Rot
today, losing seven out of the nine
bouts contested. Captain Dahlemann,
of Pennsylvania, was the star, win-
ing both of the bouts scored by the
Red and Blue team, while all the Army
men did well, their experience and
self-confidence displaying itself mark-
ably against the greenness of the new
material on the Pennsylvania team.

All the bouts were well fenced and
fairly contested. The Army team was
not able to report for a couple of weeks.

Hitting the Dirt—

requires the quick brain, the keen eye and the clear judgment which can come of a healthy body and steady nerves.

The fellow who "beats out" infield hits and "stretches" singles into two baggers is the man whose body, brain and nervous system are properly nourished.

**Shredded Wheat**

is the all-around food for the all-around athlete because it contains the food elements which build up the entire body.

Served with fresh fruits or simply with milk and cream, SHREDDED WHEAT is unexcelled in deliciousness and digestibility. It is the perfectly balanced food for student and athletic alike.
