The Man Who Makes the Team is the man who has stamina, the fellow who comes back strong after a grueling period of play, and forces the fighting in front of his opponent's goal.

Shredded Wheat gives stamina to the athlete and to the student, because whole wheat contains every element needed to build brain, muscles and bone. There is no food which meets all the needs of the mind and body as well as whole wheat of which Shredded Wheat is the most palatable and digestible form.
