MUSICAL CARNIVAL TO-NIGHT

Wrestling, Boxing, Gymnastic, Fence-
ing and Swimming Exhibitions and Two Concerts on Program.

MONEY FOR MINOR SPORTS.

Tonight marks the advent of the much awaited annual athletic and musical carnival at the Central High School, held at the University. The event is held to raise money for minor sports.

The great affair includes wrestling, boxing, gymnastics, fencing, and swimming exhibitions, as well as two concerts on program.

C.R.E.W.S REPORT AT BOAT HOUSE.

Ice conditions at Schuylkill River May Force Postponement of Prag.

Coach Ellis Ward announced yesterday that owing to the present condition of the banks at the Boathouse it is not unlikely that teams will be postponed until the ice has cleared.

He mentioned that he would not have his men report this afternoon as many were already working on the river. Consequently, those from out of the city will be unable to report until the banks clear up so that the men will have to work on the machines to make up for lost time.

The University officials are not too anxious at the present time as long as the matches can be postponed until the ice has cleared up.

CHEERLEADING TO SELL.

The university authorities, it is probable, will give an exhibition match tonight.

There is considerable fanfare in the University for a cheerleading exhibition which will be held this evening.

The best cheerleading teams from the city are scheduled to be in attendance, and it is expected that the exhibition will be a grand one.

The game will be played at 8 o'clock, and the cheerleading exhibition will follow.

SMITH IS RATIFIED AS FOOTBALL COACH.

A.A. Directors Approve R. L. Perot to New Office of Graduate Man-
ager of Athletics.

Andrew Latham Smith, last fall voted in as assistant football coach, has been ratified by the Board of Directors of the Athletic Association as coach for 1912. "Andie" Smith was elected some time ago and the Committee composed of Student Porters, H. H. Minds, C. R. Morison and E. L. Smith accepted the position of head coach at the University.

"Andie" has turned out three teams for football, three for basketball, and although no championships have been won, the team for football is in developing such stars as Coen, Marks and Shepherd.

MOCK Catalog Committee appointed the following men as the Advisory Board of Coaches: Frank Willard, chairman; Carl S. Williams, George Brown, George H. Tilden, C. R. Morison, E. L. Smith, E. H. Fairchild, E. H. Fairchild, and A. W. Hohart.

The Board of Coaches declared that of 1913, with the exception of the addition of Cornell, the schedule of matches will be the same as that of 1912. It includes matches with Harvard and Cornell at Philadelphia.

The schedule comprises eleven games in all, and includes matches with Harvard and Cornell at Philadelphia.

SOME PROGRESS MADE.

The Pennsylvanians, returning from the meet of Cornell at Philadelphia, yesterday, were greeted in the Intercollegiate matches with a loud cheer.

Though the team lost, the men showed fighting spirit and a desire to win.

A. L. Smith, manager of the team, was quoted as saying that his team is improving each day.

The men are now in the midst of a strenuous training schedule, and it is expected that the team will be ready for the upcoming matches.
