PROFESSORS GO TO ANAPOLIS

To Compete in Southern Division of Intercollegiate Primaries Tomorrow.

Distinguished Professors and Van Buitkirk will compose the University fencing team to compete in the Intercollegiate Fencing Association Primaries of Annapolis on April 26th and 27th.

The eight colleges in the league are divided into two divisions, Yale, Harvard, Cornell and the Army meeting in a quadangular contest at West Point, and Pennsylvanics, Princeton, Columbia and Yale meeting at Annapolis.

Pennsylvania has won meets from Harvard, Yale Princeton and two from Columbia in the past season and has lost to the Army and Navy. Last year Cornell won the championship, which was the first time any other institution than one of the Government Academies has been champion.

The Intercollegiate finals will be held on April 5th and 6th at the Hotel Astor, New York, where the winners of each division will meet to decide the title.

Pennsylvania stands a strong chance for success in the preliminaries, as all of the men have been consistent throughout the season and are at top notch form.

THIRD MATCH FOR TROPHY

Fremmat and Sophomore Swimmers Meet Tomorrow.

Tomorrow will mark the third contest for the Swim's trophy when the Freeran and Sophomore meet in the swimming pool. Both classes have many stars and the meet will be the most evenly matched of any between the two schools this year.

The teams have not yet been picked and will probably be decided upon until just before the heat tomorrow afternoon.

Full Dress Suits, cut on lines that harmonize with your individuality by our expert, who does nothing else, are actually reduced from $65 for the next ten days, to $50

Employment Bureau Has Applications for Fifteen Stenographers.

The employment bureau of the Christian Association has been carrying on an extensive campaign for three weeks, which has resulted in the placing of a number of men for the coming summer.

Dana G. Home, member of the bureau, announces that eleven men have been placed as waiters in a large corporation's summer camp on Lake Ontario. At present the bureau is looking for two cooks to fill positions in two large camps and a man acquainted with the work of newspaper composition, to set type for a summer resort paper.

The privilege of nominating men for all the positions was given to Pennsylvania first. About twelve men have already signed up for different engaging positions. Negotiations are now being carried on in reference to placing hotel clerks, bell boys, camp counselors and other clerical positions. Many of the men have indicated their willingness to take jobs west. During the harvesting season, and an effort is being made to place them.

The bureau regrets the fact that several openings for coeds have been made which it has been unable to fill. Firms have sent in applications for stenographers and secretaries girls to do general clerical work which they have been unable to fill. At present applications are open for fifteen wageboys.

The teams have not yet been picked and will probably be decided upon until just before the heat tomorrow afternoon.

"A line piece of cloth, my boy! I never saw you wear a better looking suit."

"Yes, I am pleased with it. I had it made to order by good merchant tailors. And the cloth is one of their Guaranteed Fabrics."

Only the man who gets a new made-to-measure suit, fresh from the merchant tailor, experiences the thrill of real clothes satisfaction.

We give you that satisfaction.
