ARE YALE BOXERS COMING?

The Yale Club of the University of Pennsylvania on Friday night is to have as its guest of honor the late Director Williams, who has, it is hoped, the ring in his pocket to bring the big fight to those on the campus. It has been hinted that the late Director was in the vicinity of Philadelphia, Pennsylvania, and that he would be in the city on May 1st. He will confer with the boxers for the Pennsylvania University Club and also in the Pennsylvania University Club and also at the Pennsylvania University Club.

HUMPHREYS WILL HAVE A CHANCE TO CATCH BACK AT HOWE

With the season at its stage, the play of the Pennsylvania University Club will be in full swing. The players have been working hard to keep up the pace, and the success of the team in the West Indies will be evident in the games played.

HENSLEY RAPS ROOSEVELT.

In Person of Dean Lewis He Calls

"In 1912 there was a thrilling moment in Pine Tree history when, for the first time, the University of Pennsylvania was visited by Mr. Roosevelt, the great leader of the Democratic Party. The students were thrilled at the sight of the great man, and the name of "Dean Lewis" became a household word in the city."

The lecture was a great hit and the students were enthusiastic at the conclusion of the lecture.

Last night he was the guest of the Law School at dinner.

As a result of a recent demand on the part of the undergraduates at the University of Kansas, the secretary of the university has issued a "whistle" schedule. Hereafter signals for the closing of all classes will be given by a blast of the university whistle. In arrangements accompanying the schedule the secretary is authorized and expected to leave their classes promptly after hearing the signal. Instructive follow-up will not consider this a discourtesy.

AT THE THEATRES

A NOTED DOCTOR SAYS

Sweaters should contain little anti-sweat powder in the shirt. Confine the use of this to the neck and collar, and cause a heat or smearing condition. People of refinement now use a blandly, Allen's Foot Race, the antiseptic powder to be shaken into the shoes, and causes a moist or stinging condition. It is not everyone who would use some little aims for everyone who finds satisfaction in the Shredded Wheat.

Shredded Wheat

is the all-around food for the all-around athlete because it contains the food elements which build up the entire body.

Served with fresh fruits or simply with milk and cream, SHREDDED WHEAT is unexcelled in deliciousness and digestibility. It is the perfectly balanced food for student and athlete alike.
