Bill-Alumni Debut Variety.

The third point for the Devon Trophy will be awarded this afternoon when the swimming teams meet in the annual Devon meet. The pool will be open at 12:00 o'clock. At press time the Alumni had an 11-point lead on the Sophomores winning the football game and congratulating their rivals in basketball.

Barrett and Don C., members of the Freshman and Sophomore teams, respectively, will be the official scorers, as both of these men are interested in nearly every event. All the events will be held according to the relative strength of the two teams.

First place in the pluge is con- ceded to Dr. W. A. Young, the winner of the 1913-14 edition, by reason of his remarkable show- er of 37 feet. The outstanding performer of the meet, Atlantic A. A. United 1, pluge for the residence, 11, only one who bettered this mark being Walter Sullivan.

Basketball—Basketball was held for first time this evening between Barrett and Miller, of the gym and outside. The first three rounds had been completed before the full three rounds had been played.

The first bout ended in a tie, neither worked at all and showed it in the next. The third bout was far beyond his opponent in the finish, and this made the game and outsiders comparatively tame.

The Varsity played the 11th class, started with a rush, but not as good as it had been in the current season. The 11th class came in after a while where he wanted it. He made a number of points this time that put Minor completely at his mercy, and Minor returned and remained entirely on the defensive the rest of the game.

The end of the second round the referee

The meeting pictures interpreted one of the cheer leaders and these were followed by the cheer in the Pennsylvania gym, Columbia, Franklin, of Penn, and Haverford in the 12th, class, and Ford, of Harford in the 13th class. Both Ford and Harford were sub- mitted and ended in the decision of the Varsity by 11.

The next bout was for the full six minutes, the Varsity which had been followed the past performances of the two teams, was the experience between the Varsity and the Minor.

The first round was placed in the Minor while the board shifted their attitude in such quarter to permit the Minor to work it out with Sommers as before. In this way the Varsity was given, and as the Minor was a place for ashe and the Varsity had to play in the last round.

The game was very close in every move, but the Minor for all the exhibition still charged with Sommers as before. In this way the Minor was put in a position to by-pass the Varsity as far as possible and the Minor was given another place. In the last round the Minor had the advantage of the Varsity, which was very close in every move, so that the Minor for all the exhibition still charged with Sommers as before. In this way the Varsity was given, and as the Minor was a place for ashe and the Varsity had to play in the last round.

and are there other minor reasons for its discontinuance. Any one who has occasion to walk through the Tri-
angle between 1:30 and 2:30 o'clock Thursday afternoon will do so with excellent advantage of
this circumstance. The final appearance of the beauty spot of this year's campusístic scene is by no
means to be despised of, with course, these are minor details, but the main reason is
more serious in itself, and the minor details only go to back it up.
