PLEDGES BEGIN TO POUR IN

FOR 1912 CLASS FUND

Treasure has already received pledges from Twenty-nine men aggregating $2,126.

$10,000 is AMOUNT EXPECTED.

The Senior Class Fund, which was organized by the Class of 1912 this year, is making remarkable progress, and it is expected that many of the men will open their pledges and that large sums will be subscribed by the Class of 1911. The Treasurer reports that pledges amounting to $10,000 are expected to be subscribed by the men in the Class of 1911.

MICHIGAN ENTERS TEAM FOR FOUR-MILE RELAY

Two Fast Quartette" Composed of Hanavan, Brown, Smith and Hainsworth to Represent Maine and Blue.

NO TEAM IN ONE-MILE EVENT.

Several of the athletes who are coming from a distance to compete in the Intercollegiate track and field meet will arrive in Philadelphia to-morrow, while the major portion of the out-of-town men will be here by Friday. With the various other college teams in addition to the Pennsylvania squad working out before the meet, Franklin Field will be a busy place for the remainder of this week.

Michigan entries for the four-mile team would make it the favorite in the case of a tie of results held Saturday, Havasu.

TWO ACCEPTANCES RECEIVED.

Yale Daily News and Philadelphian to Send Representatives to Public Meet.

Chairman Storrs, of the Publications' Committee, announced yesterday that he had received acceptances from invitations to attend the festivities at the Hotel Walton, Friday night, from both the Yale "Daily News" and the "Philadelphian." Both of these well-known publications have sent representatives to the meeting.

There has been some question as to whether the banquet would interfere with the entertainment of Saturday's Relay games. But because it is to be held Friday night, both the express train and the hotel are to be exclusive of the banquet, and the committee is to be attended without difficulty. The banquet will not begin until 9 T. Thursday, so that the visitors may be on hand to allow time to have boats to oars, and actually be seated. A final committee will meet to hold no other Saturday's Relay games. The club, he explained, intends, the next Saturday, to send a quartet of 1912, for the title, with four men having had little difficulty in securing a place to hand them the first base. The game, he explained, therefore, to be played.

Havasu, of Virginia, which was second in the first division of the national meet in the Intercollegiate gymnastic meet, will receive one of the quantities of the meet of the Michigan squad. We hope this to be the address of the Pennsylvania field and to have the best of the Pennsylvania squad.

CAMPUS IN MOTION
Only in Kinemacolor Pictures. However, which will be shown in Europe.

That Pennsylvania will be the first University in the world to be shown in Kinemacolor natural color motion pictures was the statement made yester-
day morning by Edwin E. Hesser, of the Kinemacolor Company of Ame-
r. who in a recent arranging title another series of pictures. A 16-
minute film on each of the subjects will be arranged, and when completed will be exhibited throughout the United
States.

President Smith has given permission to the Kinemacolor people to make these pictures, and arrangements are
being made with the Bureau of Pub-
icity at the University to photograph such events as May Day, Class Day, Alumni Day, Commencement Day and the Mask and Wig Play, as well as
crowd pictures, the Interfraternities and various events on Franklin Field dur-
ing the rest of the year. The first of these will be the Relay race near
Saturday; General pictures of the Un-
iversity campus and buildings will also be included in this unique film.

“Our company,” said Mr. Hesser, when interviewed by a Pennsylvania reporter, “has already received recog-
nization from most of the European govern-
ments in the form of commissions to perpetuate every State event by means of the process. The advantages of this system are obvious. Instead of an historian depending on cold type
any event of national importance, it is now possible to show a color-film that makes for extension in this year yet in a machine, a bright pressed, and to the
least detail every happening of the time in question accurately known upon a screen in full natural color.”

“I have just returned from India,” he continued, “where we were com-
manded by the British Government to re-
produce the glory of the Corpo-
ation Durbar at Delhi. That was a
