MAY DAY SPORTS WILL BE CLOSELY CONTESTED

Bands will have strong entries in baseball, football and track tomorrow night.

STRENGTH UNKNOWN.

At 6 o'clock tomorrow night, the finals of the May Day football contest will be played. It is expected that many will fail in health and make the occasion a pale celebration. Arrangements have been made for eight hundred band members.

The wealth of candidates for the respective teams has forced communities to substitute. The opponents have several Verity men and 1915 is the season in which they have been experienced the first of men. Prominent football men will be two between Varsity, Princeton and Columbia.

The weather at the close of the match is expected to be fine.

MAY DAY SPORTS will be omitted.

On account of the rain and the possibility of a tug, matches will be held on the steps of the university. The rules of procedure will be adhered to in all matches.

Rain has kept youngsters from practice in football, baseball and track.

Noted Financier Will Be Honorary Prickitt.

Mr. Carnegie is the man of the hour. He will deliver an address on the evening of May 3, and that address, which will be the result of Saturday evening's work in the business world, will no doubt be the result of Carnegie's work in the business world.

The team will be at the St. Louis Field on May 11, a triangular meet with Maryland and Princeton.

PRINCETON VARSITY, Princeton Practical School, will start specializing.

VARSITY GIVEN DAY'S REST.

Coach Thompson Disappointed Over Team's Battleship in Batting.

Four poor weather and need of rest re- sulted in a visit to the Athletic Club last week. All the team returned to Princeton healthy.

The coaches have been unable to get good condition, but with the new game not in their favor, Thompson was unable to ask the chance of a better result. Thompson dis- appointed over Team's Battleship in Batting.

**Tigers Have Strong Team**

Orange and Black Have Made Better Showing Than Any College Team

This Year—Other Teams.

With the collegiate base ball season now in full swing, rival teams are rapidly getting into the best of condition for the big intercollegiate contests that are scheduled for the near future. Within a week the first of the more important games will have been played and a fair estimate of the true relative strength of the various teams may be obtained.

Princeton, so far this season, has given evidence that she has one of the finest teams in her history, winning the first three games of the season to extremely well. Dickinson was beaten by the score of 4 to 3, and Cornell shut out by the score of 6 to 0. On April 16, Lehigh was essayed, 27 to 9, and a few days later Princeton overwhelmed Fordham, 15 to 4. Penn was defeated at Providence on Monday, April 22, by the close margin of 2 to 1. North Carolina was missed out two days later 5 to 4. The first game of the season was lost to State the next day, 4 to 1. Last Saturday Princeton won its first big game of the year over Cornell, at Ithaca, 2 to 9.

Coach Clark puts his men through a hard and thorough workout each day with telling results. Position in center field and White at shortstop are the heavy hitters on the team, and are also fluid fields. Startup appears to be the greatest hurler and Greenbaum is the most dependable of the pitchers. Last, however, shut out Cornell last Saturday, allowing the Ithacans no hits. Greenbaum will probably be used in the games with Pennsylvania on May 1, at Franklin Field.

Cornell opened her season at Ithaca on April 13, when she triumphed over Lehigh in decisive fashion. Later the Ithacans defeated Niagara University, 11 to 9. On Saturday, April 10, Buckhorns was defeated, but last Saturday Cornell lost to Princeton by the score of 9 to 2.

The Cornell team is surprisingly fast for this time of the year. The coach Coogan puts the men through a hard practice each day, devoting much time to batting, fielding and base-running practice. All the men are in good condition except Kofush, in right field, who is at present 6 to 4 with a strained shoulder. His place will be taken by Halden, who is a particularly fast man.

Highwater and Abbott compose the most reliable battery, while Butler in left field and White in center field are especially heavy sluggers. The Cornell team is all promising and the hardest hitting outfield in collegiate ranks this year.

Yale defeated Villa Nova in the opening game of her season three weeks ago, and since that time has been going at a fast pace, easily winning the majority of the games played. The game at Franklin Field, scheduled for April 15, was called off on account of rain, and as yet no arrangements have been made for playing it off. Pennsylvania has a game scheduled to be played in New Haven on May 13, and this may be the only contest with the Ithacans this year.

Yale this year is particularly strong in the pitching department. Belford, Scott and Tate are all first-class twirlers, and with any kind of support can be depended upon to win the majority of their games.

On April 17 Westley was swamped and Vermont was defeated two days later by the close score of 2 to 1. The New Haven team of the New England League defeated the Ells, 10 to 7. Holy Cross was trounced, 8 to 2, and Columbus shut out, 4 to 0.

Columbia opened the season by winning from St. John's, 6 to 2. Since that time she has played 13 games, losing none of them. On April 15 Dartmouth won from the Blue and White, 15 to 2. Yale Yale triumphed over Columbia, 14-6; Harvard defeated her 9 to 4, and Lehigh 8 to 6. At Michigan and Harvard the base ball diamond is daily the scene of much activity, and each team is progressing rapidly. Harvard lost to Bates, 2 to 2, but easily defeated Columbia, 8 to 2. Michigan has already defeated Ohio State, 7 to 2, and also Case.

Several of the other colleges also give promise of turning out winning teams this year. Arkansas and Tennes- nce, in particular, having good teams.

We give you that satisfaction.

The Man Who Makes the Team

is the man who has stamina, the fellow who comes back strong after a grueling period of play, and forces the fighting of his opponent's goal.

Shredded Wheat

gives stamina to the athlete, and to the student, because whole wheat contains every element needed to build brain, muscles and bone.

There is no food which meets all the requirements of the mind and body as well as whole wheat of which Shredded Wheat is the most palatable and digestible form.
