LEHIGH EASILY DEFEATED

IN ONE-SIDED GAME, 18-0

Seventeen Hits for a Total of Thirty Bases Taken. Lehigh Bursts Ahead in Seven Innings Played.

VARSITY MAKES NO ERRORS.

In a game featured by the Varsity's brilliant all-around play, Lehigh dealt Pennsylvania a thoroughly convincing 18-0 in seven innings of play. The Red and Blue made seventeen hits for a total of thirty bases and fielded the ball without an error.

Pennsylvania started the scoring in the very first inning, a base on balls to Cataldo, potato's triple and an infield-out scoring runs. Pickett, reported to be the Brown and White's star hitter, suffered a fracass in the next inning and was found for six and seven before the end. He did little better, being touched up for nine runs and ten hits, including another homer, a triple and three doubles during the remainder of the game. The infield played courageously behind the pitchers, but were responsible for several of Pennsylvania's runs.

The leading scorers for the Red and Blue, performed delightfully. Marshall worked the first short stop successfully, and in order in every inning except the fifth, when he gave up three singles. He kept the hits well scattered and earned his second straight win. He struck out six and did not allow a run until the last but one inning.

The features of the Varsity's play were the speed and the fine defensive work in center field. He made four hits, one a base on balls. Captain Smith, with a home run, and three singles, and Marshall with a double and a single, and others with stars the whole game, were responsible for several strategic plays.

ONE OF THE HOTELS

What the Professors, Professors and Students of Undergraduates Think of Eaglesmere.

I am fully satisfied that students who come to the Eaglesmere Conference will be more than rewarded for their efforts by what they there receive. An spirit comes to everyone who enters into the spirit of the Conference. I do feel that a person going there is in an unselfish way will surely be brought to a realization that there is much more in life than the empty personal grievances which often deter us from entering into cooperation of this sort. I feel that this help was given me two years ago and on my brief visit continued to influence me now.

PROFESSOR E. F. SMITH.

"It gives me pleasure to say that I regard the Student Conference as an important factor in influencing young men to right paths and high ideals, which are so necessary to themselves and to the world of college. I have a great respect for the Conference and its object." --PROF. W. G. BIRCH.

"It is the finest opportunity in the world for physical, mental and spiritual development to college students. The location and environment, the activities, the classes and lectures, the quiet hours and recreational periods, and the personal contacts with individuals are all in the unique as each and every unique in its way. Personally, I am looking forward to this time with a great deal of impatience and a full expectation of being strengthened in every particular." --DR. ARTHUR HOLMES.

"The whole plan of the Conference strongly appeals to me, and I cannot fancy a period of ten days more pleased at the same time more profitably employed than by the various groups associated in this Conference. The general spirit of harmony and cooperation for actual world front lines of future work, the personal relaxation from the World's mental strain and work, should combine to make it a solicitation to be repeated from year to year." --PROF. ALLEN J. SMITH.
