MICHIGAN NINE MEETS YALE THIS AFTERNOON
Wolverines Have Fair Record But Have Not Found True Form—Shift in Lineup
FIRST OF BABY RELATIONS

Michigan will be the "Varsity's" opposition on Franklin Field at 3 o'clock this afternoon in the first of a series of three games scheduled between the two universities. This is the first time Michigan and Pennsylvania have ever met on the diamond.

The Wolverines have not been going very well to date, but they have lost the majority of their games, they have never been defeated by a large score, Syracuse's 7-1 victory last Thursday being the only defeat administered to the Blue and White five.

On Thursday Michigan was stopped in the last inning by the powerful Princeton six; 6-5, Burdick, who had been outstanding all year, failed to make a fair game while he was in the box, received poor support.

The Wolverines yesterday scored their first victory of the Eastern triplet, defeating Rodgers, 14-5.

Captain Mitchell and Munson are the heavy hitters of the Westerners, Burdick has done the best work in the box, but has only a slightly better record than Smith and Conlin. Dunbar, who is expected to replace Imlay, p., and Capt. Mitchell, center field, will be added to the Westerners today. Coach Thomas announced a shift in the "Varsity's" lineup to-day's game. Imlay has replaced Correll at second and King still plays third, with Peden and Donovan at first and short respectively. With Bower, Friday, last Saturday, and Imlay and King, form the battery. The squad went through a hard batting and hitting practice yesterday afternoon in good form. Coleman continued to do a fine hitting and batting practice yesterday afternoon in good form. The especial sale for students' whose tickets for yesterday's game were not sold, will be held again this afternoon from 12.20 to 12.25 o'clock at the Providence office. At the same time, tickets for other reserved seats will be placed on sale.

Base Ball, Track and Tennis in Afternoon—Summer in the Evening.

Plans for the 1912 Class Day, which comes on Monday, June 17, are nearing completion.

At a meeting of the Senior Day Committee, yesterday, noon, it was decided to have a base ball game, track meet and tennis match, the two former to be held in the afternoon and the latter to place in the morning. In the afternoon a big smoker will be given, the place not having been filled as yet.

1912'S GRADUATE OFFICERS.

The Senators' final meeting of the year yesterday, at which the graduate officers of the Class of 1912 were elected, E. H. Bowsher, was elected president and W. W. Henn, secretary. These men will hold office for two years. Both have been prominent in college activities during their four years at the University.

Bowsher lives in Greenbush, Pa., and is a student in the Civil Engineering Department, having entered the University from Charter Academy, where he was prominent in many lines of student activities. In his Freshman year he crowed on the class crew, and during the last three years he has been a member of the Varsity right-hand crew, of which he is the leader of these years.

He was president of his class in his sophomore year, and has been on several important committees. He is a member of the Sphinx Senior Society, Phi Kappa Beta, Senior Society, Kappa Delta, and the Delta Kappa Epsilon fraternity.

Several other matters of interest were concluded at the meeting. Twenty-five dollars were appropriated for the band, and it was decided that the surplus from the Class Reunion would be added to the class fund instead of to the Combined Publications building, as formerly planned.

FRIENDLY COMPETITION.

The last hole game between team members of the棒球场 and the Punch Bowl, which take place in Franklin Field this morning, marks the beginning of an event that should become an annual custom. Games of this sort, by creating a spirit of friend

ly rivalry, do much toward establishing and maintaining relations between the two institutions, and for this reason should be encouraged. We hope that, in the future, games can be arranged between the Pennsylvania and each of the various undergraduate publica

tions, as well as with teams representing the styles of other institutions.

CRAYFavorite in Hurdles

Havens and Edwards also Fast in 120 and Babcock, Wendell and Hayden should Figure in 220.

In the 120-yard hurdles in the Intercollegiates, Havens of Rutgers College is the favorite. Havens third last year and has made 15.45, the fastest made by a college hurdler this year. Craig of Michigan is also a very strong man in this event; and should give Havens a hard race. Last Saturday Craig was the sensation of the dual meet with Minnesota, winning the 120 high hurdles in 10.5 seconds and later capturing the 220 low hurdles in 24.6 seconds. The next best man to Craig seems to be Larkey of Yale, who won the 120 last Saturday in the dual meet with Harvard in the fast time of 15.5 seconds. Pennsylvania has two strong men in Griffiths and Edwards. The former should give Craig of Michi- gan a hard race, while "Mike" is counting upon Edwards. If he is in shape. to finish first. Other good men in this event are Wendell of Wesleyan, Gillie of Dartmouth, who last Saturday got first in the dual meet with Brown at Springfield, and Hall of Princeton, who finished first in the meet with Columbia.

In the 220-yard low hurdles, Craig of Wisconsin is the favorite. Last Sat- urday Craig won this event in the fast time of 24.5 seconds, which is the best time made by any college hurdler so far this year. Backfield of Colum- bia is also a favorite. He is an all-around athlete and is picked to carry off the most individual points at the Intercollegiates.

Connings of Harvard, who finished first in the dual meet with Yale, is another strong man. His time last Saturday was 22.5 seconds. Haydock of Pennsylvania is also capa- ble of doing better than 22 seconds, and is a strong contender in this event.

Lastly, in the twelfth annual New England Intercollegiate meet, Wendell of Wesleyan won the 220- yard low hurdles in 24.6 seconds. Other men that have been showing up especially well this season are Whitley of Cornell and Peter of Yale, who captured first in the dual meet with Harvard in the fast time of 24.6 seconds.
