ARTS ASSOCIATION TO ELECT NEW OFFICERS

After successful start new organization plans to increase scope of activities next year.

OBSERVERS OPEN FROM TWO TO FIVE.

Order of the Arts Association for the next College year, 1912-1913, will be released this afternoon; then regular meetings may be held from 2 to 5 o'clock in Room II College Hall. There will be no regular meeting of the association, but members shall be open for the three hours in the afternoon. Only those members who have paid their dues are eligible to vote.

Dr. W. T. Hassett will act as judge of election and Price McPherson and M. B. McPherson will serve as tellers.

The association has had but few meetings this year, and yet there have been held highly successful and very interesting affairs of the week. The Arts Association of this year is an attempt on the part of the association to hold the Arts courses which will bring them nearer the student body, and to free them in as far as possible from the distractions of the other organizations. The plan has been tried at various times during the past year, and has been met with success. Enough interest has been shown, and only other attempts at meeting this year have been made in the past, the one made this year was followed by an increase in the membership of the association.

The object, however, the association has met with a considerable degree of success. The meeting held last Saturday afternoon, in the presence of Provost Smith and Dr. McPherson, was quite a successful meeting. At this meeting, it was proposed to elect the officers for the coming year.

This year is by far the most successful of the year. Although rather late in the year, the association has performed much work and has shown great promise.

The following officers have been elected: President, H. W. L. Chadwick; Vice-President, B. B. Master; Treasurer, A. F. Pawlack; Corresponding Secretary, H. L. Sylvis; Assistant Secretary, J. R. McPherson; Librarian, H. C. Johnson; Reporter, W. H. Wadsworth.

Cornell's Chance Lessened

Bennett's injury improves outlook for Red and Blue victory in Intercollegiate

Cornell's chances for winning the intercollegiates at Franklin Field on Saturday received a rude setback when Bennett, their star sprinter and quarter-mile and two-mile champion, was taken out of the game when he was held for the two-mile Heat. Bennett was counted on to take Cornell's coach, to score in the 220 and in the quarter. His record of 49.4 seconds in the Cornell-Pennsylvania dual games seemed to make his chances bright in this event.

Moakley is also discouraged because of the absence of Fane to get into shape. Fane jumped so well last year that he seemed to make his chances bright for the long jump. His record of 49.3-5 seconds in the two-mile heat is a wonder. Moakley assures his men that the team will make a long line was presented with a copy of The Cornellian.

There is a proposed Greek theatre for the use of the University Dramatic Club.

A proposed Greek theatre for the use of the University Dramatic Club.

The Harvard Junior Class, by means of a subscription of ten dollars from every man, has raised a fund to put electric lights in the Senior dormitories.

Kansan Freshmen are required to pass an examination, both practical and written, in physical culture. This examination is mandatory and every student must pass it to become a Sophomore.

The Call and the lure of the "Flannels"

Now is the time to order a pair of white or striped flannel trousers; they will be worn just as much with a gray or brown coat as with a blue one; with a blue Norfolk jacket suit and the white trousers, you will look fit for any occasion at the shore, mountains, suburbs or city; better order one before you leave town.

Pettez are modest and we have a complete showing of the newest goods.
