ELEVEN WILL OPPOSE TO PLAY PIT. IN NOVEMBER.

Owing to the fact that the Franklin and Marshall teams have had insufficient practice and because of financial difficulties

Saturday, the contest has been cancelled and a game with the Maritime substituted. The games with Bucknell and Georgia Tech have been definitely scheduled and will be played.

B. A. T. C. M.

TO PLAY PITT., IN NOVEMBER.

You have joined yourselves with the entire mankind of the country to bear the burden of the war. Your lives, your fortunes and your honor to the cause of freedom of humanity.

You are the chosen upon whom you have embarked is a hazardous and difficult duty. This is not a scholastic struggle. It is a war, and your work will have in the lives of the children of the country. You must not be masters of the facts you are taught. You must not only be trained and used for the common good, but you must be masters of the weapons of today.

You are enlisting men endowed with the privileges of comfort and study, and you are not sending them to fight. You are sending them to play.

R. M. Flshel, '21 Wh. has received a commission for the U. S. Army, and will leave this week for Texas. It is explained that the sailors were permitted to leave the Navy and will be sent to the army for further service. He will be senl for higher service in the Navy and will report at Annapolis.

WILSON TO S. A. T. C. MEN

To Canvassers.

To Canvassers. Mrs. Bayard Henry, the chairman of the committee, today read the oath of allegiance which you take it upon yourself to subscribe to.

The record is attractive and appropriately bound in a shabby and tattered cover. Although it is not quite as large as former editions, the twelfth edition has in no way deteriorated from the standard set by its predecessors.

EDWIN WILSON: W. D. N.

GENERAL MASTER OF NAVAL UNIT TO BE HELD AT NOON

W. D. N. The committee, although necessary supplies are ordered for his higher service in the Navy, will be sent to Annapolis. These orders were accepted yesterday.

THE PENNSYLVANIAN

GARNET ELEVEN PROMISING.
Instigation Faced Under Quarantine
Because of Spanish Influence.

Four external appearances, Swarthmore
will produce a winning football
season this year. Most of last
season's halfback has returned,
and with a number of promising
new liners, we shall have a nucleus
for that fine formation. The vote
is against exhibition. With the
tiny little center of last season, has
not yet recovered from collapse of
Illness, but is expected back
within a week. The Little Quaker eleven is
not particularly heavy, but includes
a couple of men who make up in speed
what they lack in weight.

Coach Mercer, the famous Pennsyl-
vania star, is pleased with the early
showing of both old and new material.
He has two two-hour and a quarter each
day from the military program for the
development of his team. Yesterday
afternoon the entire school was placed
under strict quarantine on account of
Spanish Influenza, which gives us
more time for football practice.

Colgate Coach at Practice.
Among the visitors to this area Tuesday
afternoon was Tom Ziegler, former head coach
at Colgate University. Ziegler, who
was released when the latter Institution
was placed under quarantine, spent
part of the afternoon with Coach Pulver.

Call for War Chest Payments.
Some students who last spring
handed in money for the War Chest have
not paid their pledges, these being
some of the worst amounts have
been made at all. The committee
decided to cheer up. The old balances,
which should be paid at the offices of
D. C. M., 409 Chestnut street.

ANNOUNCE EVENTS FOR FALL HANDICAP MEET

Extensive Program Arranged for Annual Field Day—To Be Staged Before Bucknell Game.

CALL FOR X-COUNTRY MEN.

Pennsylvania’s annual Fall Handicap track meet, which will be staged on Franklin Field on Saturday, October 15, has already drawn a large number of entries. Manager Schaefer has arranged a varied program, the list of events being: 1600-yard dash, 330-yard dash, 1000-yard run, 180-yard hurdles, two-mile run, high jump and twelve-pound shot put. In all probability this meet will be held directly before the Pennsylvania-Bucknell football game. The spectators may view the contests.

After the football season, track will be the big sport at the University. Coach Robertson has issued a call for new candidates. As the new ruling allows Prestine to come out for the team, many preppy and high school athletes have reported. All men who intend to try for the cross-country team and who have not already reported to Coach Robertson are asked to do so at once, as the candidates are now going through the initial conditioning work which is essential to a good team. Candidates are requested to report at 4 o’clock today. If they cannot get on the field at that time, Coach Robertson will be glad to meet them at any time which their courses will permit.

All Sophomores in good standing are eligible in the competition for assistant manager of track. Managerial assistants are requested to report to Manager Schaefer, at the Training Hall, to work each day in the cross-country meet. It is expected that there will be a short competition only, and the successful candidate will be appointed directly after the close of the competition.

BLOOD COUNTING

LIBRARYADOPTS NEW HOURS.

An entire new schedule of hours has gone into effect at the University Library. In past years the building was opened from 8:35 A. M. to 10 P. M. on weekdays, and from 1:15 to 6 on Sundays. By the new order the Library will only be open daily from 8:15 to 6 and will be closed entirely Saturdays and Sundays.

For those students who cannot afford to buy textbooks the Christian Association announces that it has set up a small library, from which books can be borrowed. The students can obtain these by applying at the office of the Christian Association, on the third floor of Howland Hall.
