The lowest price ticket which the student will be able to buy for any single game on Franklin Field this month will be 30 cents. By attending only five games he will have already paid an amount equal to the price of the season ticket. An added reason why students should buy season tickets is that it will give the Athletic Association some idea of how much financial aid can be expected from all classes.

On Saturday Pennsylvania will meet Bucknell University on Franklin Field in the first game of the season. Every student ought to be there. Buy your season ticket now, so that you will have it for that game.

At present there are representatives of three undergraduate classes remaining in the University as members of the H. M. A. There are now 169 students in that organization.

The investment of $10. This ticket was usually thrown away by the average student. It was really a football ticket.

TWO COMPANIES TO BE ORGANIZED TODAY

(Continued from Third Page)

T. Weight, B. L. Zentmyer, A. L. Zurker.

6. The above-named men will report at the entrance to Robert Morris Dormitory at 8:10 today.

6. George A. Armstrong will report with this company and act as First Sergeant until further orders.

By order of T. GRIFFITH,

Major F. A.,

Commandant

All men not so far inducted will report at the School at 9 A.M. for induction. This includes all men registered on September 12, 1918, who have not yet been inducted. These men will bring a three-cent stamp and an envelope, as explained in yesterday's Pennsylvanian.

Only 256 men were inducted yesterday. This lack of interest will hereafter not stay the induction, as the order from Major Griffith, printed above, makes clear.

The formation of Companies No. 1 and No. 2 this afternoon will not be for drill, but for company organization. Drill, however, will start in the near future, and will not wait for the arrival of uniforms.

The closing of the Dental School, announced in today's Pennsylvanian, will not prevent Dental students to leave the vicinity of Philadelphia, according to an order from Major Griffith issued yesterday. These men must keep in touch with the University every day, as they may receive military orders at any time. Uninducted Dental students are strongly advised to remain and complete their induction, as ordered for all other S. A. T. C. men.
