The admittance of officers to aviation schools is being prepared and which will be similar to the Army Aviation School

DECREASED ORDERS RECEIVED

In reference to the large number of inquiries concerning Naval Aviation, the following statement has been received:

The number of inquiries concerning Naval Aviation has decreased. This is due to the fact that in recent weeks, the Navy has not received as many applications for transfers to the Naval Aviation School as it did in the past. It is possible that the decrease in inquiries is due to the fact that the Navy has not been as active in recruiting as it was in the past.

The general committee has been divided into three parts under the direction of J. D. Schaffer and O. M. Pollitt. The committee has been selected to attend the official training course this week. The committee will be responsible for working out the plans to be carried out during the period of the football schedule can be played without any hitch.

FOOTBALL SEASON TICKET DRIVE WILL BE RENEWED

Now is the time to purchase your football season tickets! The drive will be renewed this week. The committee feels confident that the drive will be successful.

PRACTICE CONTEST STAGED
BY ELEVENs FROM SQUAD

"Shorty" Brown's Eleven Victorious
Over "Joe" Brown's Team by
Score of 20-0.

In spite of the fact that the game
that was to be played with Burklew
was cancelled by order of the health
authorities, Coach Holehank staged a
football contest Saturday between
two teams picked from the squad.
"Shorty" Brown and "Joe" Brown
were chosen captains of the respec-
tive eleven, and a forty-minute game
was played, which Brown's team
won by the score of 20 to 0.

The backfield of Brown's eleven was
made up of Pinneo and Axton as half-
backs. Crawford at fullback, and
"Shorty" afterwards Crawford inter-
cepted a forward pass and, after run-
ning the length of the field, placed the
ball over the uprights. In the next
half Crawford again grabbed a for-
ward pass and scored the third touchdown.
This ended the scoring for the after-
noon.

Several of the men played their last
game for the Red and Blue yesterday.
Sullivan, White, Friedman and Elson
turned in their togs and will leave for
officers' training camps to-day. This
is a big loss to the eleven and will
leave the line in a very weak condi-
tion.

Coach Holehank will have a hard
proposition to develop men to fill in
these positions. Fitch will probably
be placed at center and Walker will be
shifted to a end position, as Mitchell
is still out of the game with a sprained
ankle Special attention will be given
to the line, in which several additional
changes will be made.

Cook Fortwell has not as yet made
his appearance on the field since his
return from his farm in New Jersey. It is expected
that he will be on the field the latter part of the week.

McClure Visits Campus.

Robert M. McClure, U. S. N., now in
the Army Aviation service, vis-
ed the campus yesterday. McClure,
who is stationed in the spring and who
has received his commission, was for-
merly business manager of The Penn-
sylvania and was connected with
various undergraduate activities.

Circulating on Influenza Arrive.

Copies of a circular concerning the
causes, diagnosis and treatment of in-
fluenza have arrived at the University
from the office of the Surgeon-General
of the Army. These pamphlets are to
be issued to all A. T. C. men, so that
they may be better able to protect
themselves from the disease.

Pitt. Star With Marines.

Robert Peck will soon be playing
the pivot position on the League
Island Marine eleven. Peck was
captain of the Pittsburgh team and
All-American center in 1916. He ban-
ished to the line plunges, while Pinneo made
several gains on end runs. Crawford
played a speedy game, making several
good tackles and scoring two touch-
downs.

Brown's team was handicapped when
McNichol, who played fullback, was
forced to retire from the contest on
account of a cut over his eye, received
in the contest. His injury was not
serious, however, and he will be seen
in practice this afternoon.

Scoring began in the second period
when, after a series of line plunges,
Pinneo carried the ball over the line.
"Shorty" afterwards Crawford inter-
cepted a forward pass and, after run-
ning the length of the field, placed the
ball over the uprights. In the next
half Crawford again grabbed a for-
ward pass and scored the third touchdown.
This ended the scoring for the after-
noon.

Lehigh Football Suffers.
