VARSITY PREPARING FOR LAFAYETTE GAME

Marston and White Eisen to Be Appointed by Entire Student Body in Uniform.

GAME TO BE OPEN TO PUBLIC.

Lafayette's S. A. T. C. football squad will appear on Franklin Field tomorrow, accompanied by the student body of 300 uniformed soldiers, supporters and a brass band of thirty pieces. The entire battalion will come to the city by special train and will arrive at Broad Street Station shortly after noon. From there they will march in company formation to Franklin Field, where they will be displayed, and while the Escort service has been cleared by the order of the loss of several fieldmen, Pennsylvania can look forward to a hard battle.

Shadow sportsmen only was held yesterday at the stadium for the screening of the game with the Naval Training School. There was no uniformity in the game, although both Crawford and Larch appeared on the field linking such a fine display. Some teamwork and Alyson and Newton took part in the drill there.

Before the practice Coach Hackett had a short talk in the trilling house, and pointed out the mistakes in the team's play, which mostly led to goals by the enemy. The intermittenness of the game was due to the lack of players, which the Commandant's office has decided against. The fact that most of the men will have to resort to the training school by Monday.

The fact that most of the veterans have been experienced in other work, the training school would lack the necessary antiseptic.

John U. Mart, Jr., secretary of the S. A. T. C. office, from the company for the public, and great interest has been expressed in the amusement by the Lafayette. Another player who has been displaying such good form lately during the Lafayette game has been displayed such good form lately which he will start at the line positions.

Another player who has earned a berth on the varsity by his splendid work is Brush. The placement of the players is very important in the excitement of the day-to-day business.

Students who have not yet bought tickets for the event have been urged to do so today and so avoid the large lines that are expected tomorrow. The Lafayette game may be considered as the local football game of the year as the public interest has already been shown. It is expected that A. O. CATHOLIC STUDENTS TO GATHER

Next Monday evening a reception will be held in Merchants Hall for the S. A. T. C. and O. S. N. U. to which all students are invited.

TWO VICTIMS OF "FLU"

Several students are now suffering from the "flu" and many more have been confined to their rooms with the disease. These cases have arisen since the move of the student body to the city and are not due to any fault of the university. Students are reminded to take every precaution to prevent the spread of this disease.

**NAVAL NOTES**

Ensign Wylodrud has been reassigned to Barracks No. 3, and will be in charge of the Medical Company henceforth.

Barracks No. 6 has become the most cosmopolitan company in the Naval Unit. There are members of the 15-year group, 18-year group and 20-year deck crew in the new barracks.

It is interesting to note that Barracks Nos. 1, 2, 3, 5 and 6 all have pianos now. These instruments are a big help in breaking up the monotony of the daily routine.

Barracks No. 2 is searching through its ranks for amateur theatrical talent. Hellbroom and Browning, both of whom starred in the last Mask and Wig performance, are conducting the hunt for this latent talent. They are to be the perpetuators of a "Stunt Night" to be staged in the near future.

There is at present no authority for estab-lishing an R. O. T. C. for the
members of Company No. 17, but it
may later be done if certain require-
ments are met. Men who attend this
training regularly will be excused from
gymnasium work. Nevertheless, the
roll is in the hands of Mr. Coleman,
who will give the mark of "N" to men
with several unexcused absences.
Company No. 17 will probably or-
ganize a football team. Homer Mil-
ler will most likely sell to the mem-
bers of this company the one hundred
uniforms owned by the University.
These uniforms were purchased last
year for men who were unable to buy
them themselves.
No immediate action will be taken
in the matter of induction. Major
Griffith yesterday revised the list of
men going to Fort Monroe, but was
unwilling to publish it as yet. The
list for Camp Taylor is also incom-
plete.
Practically all the necessary cuts,
blankets and mattresses have been in-
volved by the Q. M. C. Unfortunately
military overcoats have arrived to outfit
the whole regiment, but no complete
uniforms are on hand, no clothing
stocks will be given out until the
whole quota of woolen uniforms has
come. No non-commissioned officers
will be uniformed before privates.
Nothing further has developed in
the mess hall situation since yester-
day. The work of alteration is being
continued with great rapidity. In
fact, carpenters are already nailing
together the army tables, which are
composed of three twelve-inch boards
as a top and one on each side as a
seat. Unless something unforeseen
happens, the building will undoubtedly
be in full operation by Thursday of
next week.
