Although the rehearsals of the University Glee Club have been interfered with by the S. A. T. C. some sort of organization has been progressing rapidly. Many good singers are among the candidates, and O. A. R. Logron, the leader, is confident that a successful season is assured for the club.

Permitting has been obtained from the Philomathean Society to hold the rehearsals in their rooms in College Hall, instead of in Houston Hall, as usual. The rehearsal will start at 6:15 this evening and all members are requested to bring their copies of the Pennsylvania Medley.
