BURSAR APPROVES OF ORDER

"Students of the University, now in the Military and Naval Units, or those who come under the heading of the Reserve for the University, will receive their release from service that regular work is not hindered. They will be ready for them, as the faculties have planned for the immediate re- 

The President and the officers of the University would make a point of trying to help them until their release from service that regular work is not hindered. They will be ready for them, as the faculties have planned for the immediate re-

The finest quality cloth in Best & Co.'s Officers' Uniforms

Never was the old saying that the "best was the cheapest" more true than in the matter of Officers' Uniforms.

The "best" does not necessarily mean the most expensive but it does mean the kind of cloth and tailoring going into every Officer's Uniform made by BEST & CO.

Many Van Takes Insurance.  Eleven million dollars in U. S. War Risk Insurance has already been applied for by the members of the University S. A. T. C. The application blanks are being turned in every day after they are all in they will be forwarded to the headquarters of the Eastern Department, at Governor's Island, New York. Lieutenant Martin, Insurance officer, expects the total amount of insurance taken out by this unit to reach fifteen million dollars.

Post Exchange to Be Dropped.  As soon as the present stock of the Post Exchange is disposed of, this latest campus institution will probably be discontinued.  The Post Exchange was unusually successful in securing the patronage of the students, and it was intended to gradually increase the stock until it had developed into a cooperative store. The disbanding of the S. A. T. C. however, will make this impossible.
