PHYSICAL EXAMS. FOR DAY FURLOUGH

In spite of the warning recently issued by Major Griffin, some men in B Company on January 6th were given the opportunity to take the physical examination for the service because of an additional opening made at the request of the lawmakers from the Naval Unit who desired to return the University to the service. The examination was given on Monday afternoon. At the time of that war, physical entrance requirements of the Naval Unit will begin at 8.30 P.M. to 10.00 P.M., except for the first quota which will be given at 10.00 P.M. and 11.00 P.M. The examinations will be conducted with the assistance of medical officers of the University and the Metropolitan affords.

Member of Unit 20 Dies.

Word has just been received from France that Frank Walker, '20 E., has died of wounds received while flying Red Cross work under fire. Walker was overseas with Base Hospital Unit 20, and had been in the front lines for four months previous to his death. While at the University he was a member of the Theta Xi fraternity and ran on Pennsylvania's championship relay team.

Trans-Pacific Airman's Apparatus. Dr. McKeen's reconstruction apparatus, which is now being used in the north end of the gymnasium building, were photographed by a representative of the Surgeon General's Department yesterday for record purposes. This set of apparatus, which has been reproduced many times, will be sent to the University of California for the instruction of medical men in reclamation work.

Chess Club Meeting to-morrow.

Owing to the fact that many boys have been called into the service of the Chess Club, which was to have been held at noon today, Captain Harnerson postponed the meeting until 3 o'clock. Questions of special interest will be discussed and plans will be completed for the initiation tournament, in begins Monday.

Farm American Student Club.

To provide the American student with information between students of the United States and Canada, an American Student Club has been established at Neillsville, Wisconsin. The club will hold regular meetings, and the information from this country is expected to make possible the support of an active service.
