COMPANY SIX WILL BE MUSTERED OUT TO-DAY

Officers Speed Up Physical Tests and Hope to Have Entire Unit Out on Schedule Time.

CONGRESSES MAY PROBE S.A.T.C.

Debilitation of the S. A. T. C. has caused some of the congressional committees to consider that the men of the university may have been debilitated by the examinations. Company 5 has had half of its men checked up on. Company 6 have been completed to-day. By to-night the entire company starts examinations. It is the belief of the committee that the examinations for cert-nin fixed expenditures for the University Employment Bureau in the fall will be held.

Some Congressmen are reported to have suggested that the W. C. T. U. be abolished. There has been much discussion of this plan, as a source of new revenue. Some Congressmen are reported to have suggested the desirability of abolishing the W. C. T. U. in order to raise money for the University.

THE PENNSYLVANIA
ADDITIONAL VARSITY REVIEW PUBLISHED

Decision of Awarding Letters May Be

Without Comment Until Next Term Begins.

In one more issue the list of 'Varsity football players will be complete. But few men remain to be spoken of and those will be considered as soon as possible. It is very probable that, since the close of the first term is at hand, nothing further will be done about 'Varsity letters until after the beginning of the year. The men dismissed today are:

B. R. Pinney, '21 Wh., graduated from Central High School, N. Y. He played halfback on his school eleven for several years, and last season was on both the junior and varsity teams. He was not considered as an outstanding athlete, taking part in football, baseball, and basketball. Coach Polinelli used him both at end and at tackle, and he proved himself consistently good showing and gave promise of developing him as a fairly fine lineman. He is very large, standing over six feet, and his weight is about 220. His aggressiveness, made him a hard man for the opposition to handle. Mr. Pinney will also return next season.

Charles R. H. Aiken, '20 Wh., student at Lafayette College before coming to the University. At Easton, Letchworth was quarterback for several seasons. Last year he was a member of the 'Varsity eleven, and it was his place when the latter was injured. This season he played end for the team and played a short while, but was forced to discontinue. He is a medical student, and as the epidemic was at its height during the football season, he was required to give up his studies and devote his attention to purely in helping with the disease. He is a member of the Delta Upsilon Fraternity and Alpha Kappa Kappa Medical Society.

Fritz Strauss, of 884 Anatomy High School, Vienna, last year played a half back position on the 'Preussen team. This season he was substituted back for the 'Varsity and performed well in that capacity. He is a bright light, scoring only about 140, but nevertheless made a sure showing. He is a fast man and a hard tackler. He will be a contender for the quarterback position next season. Beta Beta Tau Fraternity.

Walter N. Rosenn, '22 Wh., attended Central High School of this city, and since then started on the football and basketball teams. In his Preussen year he was prominent in class athletics, and last season returned to both the letter for 'Varsity football. This fall he was alternated between half and fullback, and had opportunity and experience proving of much value to the team. He is a good athlete, man, and carries the ball equally well into the line or around the ends. On defense he is a sure tackler and can be depended upon to tag his man. He is a member of the Beta Theta Pi fraternity.
