RELEASE BALANCE OF NAVAL UNIT ON 21st

Will Dis pense With All Unnecessary Formalities Next Week — Unit Thinks Captain Bishop.

LIBERTY BALL A BIG SUCCESS.

On December 21st all of the remaining 4,225 men were released from active service and the Unit is now ready to exist. The same procedure will be followed, with the drafting men being sent to the base hospital, and the rest of the men to the Naval Unit.

The ceremonies of the final week will be as highly pencilled as the service end which has taken place during the week, with a final rehearsal of the mass movements, and the latter wish their last wishes to the men of the Unit.

C. A. TO FINISH MEN WHO RESUME STUDIES.

Several courses are now being given which the men have not been able to take during the past year. The men of the Unit are to be allowed to resume their education, and the last week of the year will be devoted to this purpose.

LAST DANCE OF TERM TONIGHT.

Those students who have not already completed their education will be given an opportunity to do so before they leave the University. A nation-wide movement has been begun by all the religious churches of the country to provide such a dance.

The Christian Education Week will be conducted during the week, and will be devoted to educational matters.

MEMBERS OF COMPANY 2
PUBLISH MEMORIAL BOOK

Demobilization Dinner Tendered to
Lieut. Hammond—Co 2 in Football Game To-day.

As a sequel to its many other activities, Company No 2 has conceived the original idea of publishing a memorial booklet as a souvenir for its members. The subject matter of the booklet contains a brief biography of the company commander, Lieutenant Hammond, a history of the company's activities, a record of the football seasons and the humorous side of life in the army. The booklet will be the work of every man in the company, and will probably make its appearance next Thursday.

Lieutenant Hammond and Sergeant Armstrong were the guests of honor at a demobilization dinner held at the Biltmore Hotel. Major Griffin and Captain Roberts were unable to attend, owing to the interference of military duties. An attractive menu, clever music by the company orchestra and excellent speeches made the occasion a decided success. Lieutenant Hammond was presented with a handsome saber and regimental armor, received a gold knife and chain, Corporal Ray Long acts as treasurer, in a lengthy speech Lieutenant Hammond reviewed the work of the company from the time of induction, and was full of praise to the men for their excellent work and spirit shown at all times. At the conclusion of his talk he was greeted with a volley of cheers and applause. After the dinner a dancing contest was held, which was won by the Corporation. Playground.

Each interest has been aroused among the members of the company over the past year. The optimistic Company 2 this afternoon. It will be played at 3 o'clock on Franklin Field. The team, under Captain Long, has been practicing daily, holding a signal practice in Franklin Field and Paton Park during the rest period of a hike. The championship of the A, T. I. H. S. football teams on the games, and the men are confident that the laurels will rest on Company 3. Company 2 will be defeated early in the season by a sound team, 21-0, but a return game was demanded, which Captain Long readily acceded to. The team will line up as follows: Ends, Roberts and Dinke; tackles, Captain and Hamilton; guards, Robertson and Sproule; center, Kirtz; quarterback, Schmiedt; halfbacks, Fleck and Pandian; fullback, Captain Long. The picture team will be taken in football trips at 12.45 to-day.

TO SPEAK ABOUT WOUNDED.

Dr. McKenzie Will Give Lecture on "Reclaiming the Maimed."

Particular interest surrounds the lecture to be given by Dr. R. Tall McKen"zie, head of the Department of Physical Education, in Houston Hall at 2.30 this afternoon, due to his intimate knowledge of his subject. His topic will be "Reclaiming the Maimed."

Dr. McKenzie served during the war as a special medical inspector and investigator at British Army base hospitals. After his return to the University this year he wrote a book bearing the above title, in which he presents many interesting facts concerning the welfare of soldiers who have been wounded and permanently disabled. His speech will be based upon this book, the more important features of which he will discuss.

Young Man, Are You Known as a Good Foot-Dresser?

Note the heel of this shoe. It has just the number of lifts men who know what's-what demand.

Note the toe. It draws in and drops to just the tapering point the fellows pick out whose shoes taste you admire.

Note the tip. Lots of length to give balance to the narrow toe. A thin, racy last, yet comfortable, and with real, honest-to-goodness style. You'll have to have it. It looks right with the rest of your outfit.
