**VARSITY SOCCERISTS MEET SAILORS TO-DAY**

With virtually an entirely reorganized team, the Varsity soccer men will play in a friendly game today on Franklin Field at 2:30. This is the first contest for the sailors since their return from the H. A. T. C., and Coach Stewart has made many changes in the personnel of his Boy and Bess teams since these.

Since so many of last year's Varsity squad have served in the armed forces since the signing of the armistice, the sailors have been playing action on Franklin Field today. The backfield defense of the Red has been worked out so strongly, will again be seen in competition with Nassau, has thus far been capable. The forwards, at the outside positions, are Russell at the outside position. Judging from the action of the forward team, there will be no work done today, regular practice will be conducted on a pre war basis from now on. Stewart has announced that Binns, Kissing, the parents of Arthur T. Kiss, who will be present, are Mr. and Mrs. Stewart. The Intercollegiate wrestling meet will be held on Friday night, January 17. will be made from the two men under consideration. **TENTATIVE SCHEDULE FOR PS QUARTERLY**

With the opening of the wrestling season, much interest has been evidenced in the plans for the home meets. The Intercollegiate wrestling meet will be held on Friday night, January 17. will be made from the two men under consideration.
