INITIAL PUNCH BOWL ON CAMPUS TO-DAY

[Text begins]

In order to get more members of the Junior Class to pay their dues, a new plan has been adopted today. The four hundred men in the Junior Class, exclusive of the Class of 1922, were last week selected. It is hoped that more hall clerks will be elected to hold the re-election, to be held on Friday.

There are over fifty men in the various departmental divisions, distributed in the various sections of the college. All those not having done so are urged to pay their dues. Mail-boxes have been set up to collect: Whirlwind—Ginsburg, 12; Argus—Silverthorn and Thompson; Tower—Steeple—Graves; Kelter and Thrus.

PERHAPS THE BOWL MAKES ITS INITIAL APPEARANCE IN WAR TIMES.

Pennsylvania's soccer team and the Rhinos, of the Pennsylvania Boy's Club, played another to a standstill in a wild and enterprising contest. Penn dominated the game throughout.

Thursday. The contest ended in a tie, each team making one goal.

The game was originally scheduled for Tuesday evening. It was being used by the Rugby team for an informal match, necessitating a change in the schedule of both.

Pennsylvania's victory was due to their speed. When, after twenty minutes of play, Clayborn had scored, they adhered to side passing and corner play. Fisher, playing center forward, did a brilliant job in breaking the ball through Pennsylvania's defense system. Between the goalposts for a tally. The Rhinos, however, proved too strong for them for three minutes, when Maltby did a beautiful shot. Fisher, however, had another side pass before the ball was finished. Fisher, playing center forward, did a brilliant job in breaking the ball through Pennsylvania's defense system. Between the goalposts for a tally. The game was then precipitated by the Rhinos. Two points, of which Sweeney made one, were scored. Fisher, playing center forward, did a brilliant job in breaking the ball through Pennsylvania's defense system. Between the goalposts for a tally. The greater experience of the varsity was offset by the determined efforts of the Rhinos throughout the evening, and was the deciding factor of the game. AUTHORIZED PURCHASE OF MODERN SHELL FOR CREW

Swimming was given at a recent meeting of the Boating Committee for the purchase by the University of a new eight-oared shell to add to its fleet on the river this year. The new boat, to be used by the 'Varsity eight, will be of the latest American type, with modern swivel oars, which have proven to be far superior to the English oar-pin rigging, installed on all Pennsylvania's boats several years ago by Coach Vivian Nichols. The 1912 'Varsity shell is still in flawless condition, and will this year be set at the disposal of the Junior crew.

Swimming for the season is now nearing completion, and, in the probability of all swimmers being entered for an intercollegiate meet late this week or the early part of next. It is already assured that Pennsylvania will have several important races with the leaders of this sport in Intercollegiate ranks. As a result of the continuance of the mild weather condition, it is expected that Coach Wright will take his squad of oarsmen out on the river at an earlier date this year than ever before.

SWIMMING MEET TO-NIGHT

Dashes, Novice Race and Placing on To-nights Program.

This evening the regular weekly swimming meet will be held in Weightman Hall pool. Among the events on the program will be a novice race of one length for all those who have never done any strokes to meets. A fifty-yard, one-hundred yard and two-hundred yard race will be held on the Nantahala basis. The bandwag will be judged from the showing of the respective candidates last week.

Plunging and fancy diving will also be run off by handicap. A few new men have reported for plunging, but no new divers have come out. If enough men are on hand, a water pole game will be played. Men are still needed for water polo and can report tonight.

All men who signed up for swimming must report at the meet tonight or be excused by Coach Klister. The meet will begin at 7.30 o'clock.

Luzerne County Club Organizes

To plan for a successful club this year, the Luzerne county students met last night at 44 Memorial Tower, President Greiner opened the meeting with a greeting to the new men who will soon be affiliated. The constitution and by-laws were read and a committee appointed to take charge of an entertainment to be held during the Easter holidays.

Navy Swim Meet

The Annapolis tank team got off to a winning start by defeating the Johns Hopkins swimmers in the first meet of the season. The final score was 49-9. The feature of the meet was the relay, in which the four swimmers of the Navy, gained a lead of two yards over Hopkins, and the other swimmers could just maintain their relative positions.

Final Basketball Ticket Sale

All the efforts of the committee in charge of the disposal of season basketball tickets will be directed toward a grand clean-up sale of the past tickets in the undergraduate Mammootrity Ticket office. Students are reminded that the entire home schedule of the Interstate League games is yet to be played.

Missionary to Visit Campus

Tomorrow will be the first of a series' visits at the University by Dr. Ostrom, of Princeton University, former secretary of the Leland's Missionary Movement and a missionary to Japan. He will be in the city in the capacity of missionary work in groups which he has organized for the Christian Association.

Visit to Large Beneficiary

Yale has just received a number of gifts amounting to $12,000. These gifts are to build a Physiological Laboratory and for various school funds in the university. These bequests are in addition to a recent one of $10,000, which was the third largest gift ever given to any educational institution.

Men Out for Assistant Managership Will Report to Manager Camp- 

By Paul Brandt

Boston: The Harvard lacrosse team will be without an assistant manager this year after losing the popular Tom Broderick, who was dropped last week.

The present manager is John Egan, and the team will meet this week to elect Broderick's successor.
