PLANS FOR EXTENSIVE JUNIOR WEEK UNDER WAY

Preparations have already been made for a Junior Week of the University. Because of the demands of other financial activities, the event will take place some time in April instead of during Thanksgiving week as has been the custom in past years.

Every effort is being made to make this year’s celebration unique in the history of the University. The Junior Prom, the annual ball given by the fraternity and sorority groups, will be the focal point of this year’s festivities, and no pains will be spared to make it the big event of the year. In addition, a theatre party will be given at one of the three theatres. This and a banquet will be held for members of the Junior Class only.

The admission in charge of the affair has not yet been ascertained, and no decision has been made public in a few days. The patrons are being selected and all names will be published at the same time.

News of Signing of Armistice Reaches
Meeting in Institute Room
Choirs of Alumni.

In the Cafe Pennsian, Recreation
street, Melbourne, Australia, the first
reunion of the University of Victoria's
Alumni Association of Victoria was
held on Monday evening, November
11. A little band of Pennsylvania
men, living in Melbourne, held
in the above date to talk over student
days and former Pennsylvania. It
turned out that they had picked a
most historic night in the history of
the world, and a number of the
speakers being present. The
noisy songs, shouted by the
members of the gathering while
they were seated at the buffet
table.

The room in which the reunion
was held was handsomely decorated
with Pennsylvania, Harvard, and
American flags. During the course of the din-
ter, those words were repeated to
Pennsylvania men in the
war, the University, and to the Gen-
eral Alumni Society. Letters were
read from Pennsylvania men of Victo-
ria unable to attend, expressing their appreciation of the Alumni
Society of Victoria and expressing their intention of joining.

The meeting was brought to a close
by the chairman, making kind refer-
cences to Dr. H. H. Hunter, who lost
his life in the Battle of Gallipoli, and
to the King of England, Presi-
dent Wilson, and Pennsylvania.

NOTE MISIONARY WILL
SPEAK TO C. A. TODAY
Dr. Ostrom, the noted missionary, is
due to arrive in this city today. He
will take the University for the next
three days as the guest of the Chris-
tian Association authorities, who have
promised to have the fraternity en-
tertain him during his stay.

Pennsylvania is one of many col-
leges Dr. Ostrom will visit in the East.
After Philadelphia, Westham and Williams-
burg are among the places he
has lately visited. After graduating from
Princeton University with the degree
of Doctor of Divinity, Dr. Ostrom
spent two years as an instructor, as the
Lamar's Missionary Ministerial, and
later entered the missionary field. For
several years he was located at Tsing-
hua, in the south of China, where he
had many, very unusual experiences
with the natives.

A meeting of the Christian Asso-
ciation this afternoon, Dr. Ostrom
will give a talk on the Christian
Association in Japan. All students who
desire to attend may engage seats
between the hours of 2 and 6 by arrang-
ing beforehand with John B. Hart, Jr., of
the Christian Association.

ARTS ASSOCIATION TO MEET.
Officers Will Discuss Program for Com-
ing Year Today.

After a seeming Inaction caused by
the existence of the S. A. T. C., the
Arts Association will again take its
activities on the campus — although
in a smaller form. A program, G. Rudis-
ill, '19, president of the association,
plans for a successful year, equal in
quality to that of last year.

President Rudisill has also requested
that all the officers and members meet him on
the first floor of Houston Hall to-morrow at 1 o'clock. He plans to start an en-
tirely new campaign, in the near
future, and also to hold a number in order to arouse interest in the activi-
ties of the association. As soon as
the organization is completed, further plans will be announced.
