YARVIS FIVE MEETS YALE AT NEW HAVEN

Elia Pataki Explored to Offer Strong Opposition to Champion Pennsylvanian Quortets.

GAMES WITH C. N. Y. SATURDAY.

Facing what is considered one of the strongest teams in Intercollegiate circles, the Varsity Five meets Yale tonight at New Haven. This is the first contest of the season for the Blue team. With little rest after the game with State College Wednesday, the Pennsylvania quintet is scheduled to play today without the members of the Big Five.

On account of the moving away by the five men who began the State game, there is little doubt that the Pennsylvania team will be down by a considerable margin at the end of the season. In addition, they are facing Army, Stanford, and forwards, and without their key men, the Yale Win and Walker will work the big game. The Manager and Gottfried will also see action Thursday.

The Yale line-up will include four veterans, while the Pennsylvania team are Captain Fred Sandrof, end, who will play in the first game; Captain Ed Smith, center; lone; and Captain Silswil, the All-Intercollegiate forward. The Yale team will be refilled by a number of men who have not yet been named. No announcement of the probable players will be made at the polls.

JUNIORS TO CANT SECOND VOTE FOR THREE OFFICES

As a result of the tie in the Junior elections last week, redistricting will be held this week. Houding Hall will take place on the first floor of the dormitory, and at 7:15 p.m. and 8:45 p.m.

REGISTRATION FIGURES NEARLY NORMAL AGAIN

Second Enrollment in Entering Classes Makes Up for Large Number Still in Service.

GRAND TOTAL OF 5,377 STUDENTS

According to a statement delivered by the Provost, one month after demobilization of the Army and Navy Service College, the total enrollment at the University is 5,377. The catalogue for the session of 1917-18 showed a grand total of 5,793 students registered in the fall of 1917, which was 1,198 less than the 1918-19 total, before, when the registration was 6,571, the largest in the history of the University. In other words, 20 per cent. of the students have either left or have not yet entered the University, or have already been discharged from the service.

The effects of the termination of hostilities are clearly evident in the fall enrollment, which shows over 1,000 students below the 1917-18 figures. These figures included 1,011 alumni students in the 1914-15 and 1915-16 fall. The Senior class included 651 and 654 in the 1917-18 figures. The Senior class was not connected during the latter term, but not registered. Hence there are 232 seniors, plus 600 seniors in freshman, sophomore, junior, and senior classes. This represents a total of 752 seniors.

The fall enrollment was as follows: 671 freshmen, 973 sophomores, 1,221 juniors, 533 seniors, 476 seniors, and 752 seniors. The total enrollment was 5,377 students.
