**Perry's Reduction Sale**

This is Philadelphia's Clothing event because of the character of the Overcoats and Suits at reduced prices!

They were low-priced before we ever put a Sale tag on one of them!

Don't buy a price ticket! You'll find it altogether too dear if the Overcoat or Suit it's on fails to give you satisfaction!

**Overcoats**

From the finest $70 and $75 beauties, right down to our $20 Overcoats—Reduced 100%.

**Suits**

From the $65 and $55 Suits, down to our $20 Suits—Reductions all along the line!

**DR. CHEYNEY HEARTLY**

FAVORS WORLD LEAGUE

University Professor Believes International Body Necessary for Peace in Future.

SUGGESTS LOOSE ORGANIZATION

In a recent interview, Dr. E. P. Cheyney, the University's noted Professor of European History, made the following statements concerning the all-absorbing topic of the "League of Nations": "A League of Nations is not a new thing. It has always been in existence in modern times, at least in times of peace. All civilized nations are bound to one another in a loose confederation by a network of commercial, social, and by a common international law. It is proposed now to systematize these dealings, both for trade and for mutual assistance. A closer union and closer association among nations is necessary. . . ."

"The demand just now for a 'more perfect union' among all countries is due partly to the dire necessity, for all and partly to a vision of its great possibilities. There is no thoughtful person who does not feel that the outlook of another world war. If the great war which has just closed has hastened the world millions of lives, billions in money, and numbers of the energies of mankind in destructive purposes, another war may reduce the number of people on the earth below what it has been in any modern period and leave this quaint primitive society. In this event, all elements of civilization will be combated. Moreover, if we must look forward to another war, we are compelled to prepare the meantime to give up most of the aims of civilised life in order to prepare for it."

"Will it be possible in that case to make itself strong for a military war or for peace by building up self-defence groups for additional military strength. War will not be prevented, but rather encouraged, by universal arming and trying to restore a balance of power. It is absolutely necessary that nations be left to take their own course, from the crushing burden of pre-war armaments, the aboli-

FOILSMEN SCHEDULE MEETS.
Coach Terrone plans material. Expects Successful Season.

Manager Simpson, of the fencing team, has completed arrangements for meets with Yale and Columbia, and will probably be able to secure a meet with Amherst. On account of present restrictions, the Navy is forbidden to enter any meets, but it is hoped that this order will be rescinded in the near future. The contests arranged so far are: out of town. The first meet will be with Yale, on February 15, or New Haven, and the matches will be held both on Saturday and Sunday.

Coach Terrone is well pleased with the material this year, and expects a winning team. More men are needed, however, to bring the team up to the standard required. Today will be the last day to enter the competitive and preliminary matches for the fencing team. The men who have not reported so far are: Malcolm Barkley, Wal; W. P. Green, 22 Wh.; William Pollard, 22 Wh.; Edgar Rhodes, 21 Wh., and Frank Wright, 21 Wh. Several more men are wanted for this work.

WALKING CLUB NEEDS MEMBERS
Gym. Credit Given to Participants in Semi-Weekly Rides.

E. B. Behrman, 20 Wh., temporary leader of the Walking Club, desires that all men interested in this form of exercise report at the gym office to-day at 3 o'clock. Late Saturday morning men turned out and enjoyed a walk to a destination. Today the club is planning a trip through Fairmount Park. Aside from the exercise feature of these trips, an opportunity is offered to become familiar with the many sights of nature and historical interest in the city.

According to the present schedule, there will be two hikes a week, a short one of a half hour on Wednesdays, and a longer trip on Saturday days. Gym. credit will be given to all those who participate regularly. A permanent leader will be chosen at a meeting of the club today.

SET DATE FOR INDOOR CLASSIC
Cornell Track Team withdraws from dual meet with Red and Blue.

Under the auspices of the Amateur Athletic Union, the annual National Student Indoor Championships will be held Saturday evening, March 8, at the Thirteenth Regiment Armory, Brooklyn, N. Y. Most of the Red and Blue men will be entered in this meet. The events include 40-yard, 50-yard, 100-yard and 110-yard hurdles. A tennis court, and a relay race for teams of four men. The final events consist of a standing broad jump, 16-pound shot-put, and the 100-yard hurdles.

Word has just been received that the meet, which was to be held Saturday, has been postponed. The dual meet scheduled for February 22, at the University, has been withdrawn, leaving the varsity runners without a competitor for that date. Manager Schenker, however, is endeavoring to obtain the Michigan team as a substitute.

WALKING CLUB NEEDS MEMBERS
Members of the swimming squad have been preparing during the week for the meet which will take place on Monday Night. Coach Kistler has been endeavoring to obtain the best talent, and has succeeded in bringing home of the new men to the forty foot mark. Captain Edlerkin is again on the way and planked seventy feet in his first trial, after an absence from the pool. So far very few fancy divers have put in an appearance.

Monday night's meet will have all the events of last week; the handshakes will be exchanged on the basis of the showing of the men in the latest meet. With the addition of the new from last year squad back again, prospects are bright for the meet, which begins in March. All water pole football and Snaky divers will report on Monday night at 11 o'clock.

Law Men Returning Daily.
With the return of Roland B. Hall, and Glen B. Law, '21, to the College, the enrollment has reached 52. This number will be increased daily by the return of former students.

Bench Men Prepare for Meet
Rearrange Handicaps for York Con in Monday Night.
