OUTLOOK FOR WATER
POLO SEASON BRIGHT
Nearly All of Last Season's Team Back—Few New Men Arranged.
Starting March 1.

With the water polo season for Pennsylvania formally opening on March 1, every effort is being made to give that sport its pre-war standing. Prospects for a successful season were greatly heightened by the return of several of last year's veterans. Captain Wardock, who was in the Naval Training Camp, is here again, showing his old-time fight. It is thought that he will hold his old position of guard on the polo form.

Lieutenant Fischer has been discharged from the Army Artillery and has also answered the call for polo. He is an All-American goal of last year, and in showing every evidence of rounding into form.

Lieutenant Parties, who enlisted in the middle of last season, will again form the backbone of the team's offense. He is All-American center and was the mainstay of the team last year.

Tadda, a veteran of two years' standing, has ability as a guard. Waterhouse, Dunmore and Backwith are all of last year's team, and have been showing the same fighting spirit that has made previous Pennsylvania teams successful.

While Halderman is a new man at the game, he has proved himself a valuable player. He is working with Walter Parties in perfecting a strong offensive combination.

The new candidates are also being thoroughly worked up. Coach Klein is spacing no pains in turning out a worthy team this year.

An interesting schedule has already been arranged. Several trips away from home have been scheduled, and it is hoped that others will be booked soon. On March 1, the only home game of the season will be played, when the water dogs meet Columbia.

There is still sufficient time and opportunity for more men to compete for the 'Varsity. New candidates are asked to report to Captain Wardock on Monday, Tuesday, Wednesday and Friday afternoons, at 5 o'clock, at the pool.

FENCING ASSOCIATION ACTIVE.

Chancing for a championship team is being considered byReturn of Old Men.

The University Fencing Association will hold a meeting in Northham Hall tomorrow afternoon at 5 o'clock. The association consists of all members of the fencing class and competitors for position of assistant manager. The purpose is to elect officers of the association for the coming year. Prospects of the team for the coming season will also be discussed, and plans made to interest more men in the sport. Coach Tomlinson will be present and address the meeting.

Arrangements will be made for private tournaments to put the team in better condition for the coming meets. This will probably be done by arranging hand-to-hand meets among the members of the club. The number of men reporting for the team is increasing daily and the present number is now about twenty-five. With two members of last year's team back, prospects for a championship team are increased considerably, and Coach Tomlinson is optimistic over the outlook.

Zionists Elect Leaders Today.

Election of officers among University Zionists takes place today at a meeting of the society at 11:00 in Room 3, Houston Hall. Plans for the activities in which Zionists will take part during the organization of the year will be discussed. Dr. Klein has been asked to address the students to-morrow at the regular discussion group. Dr. Klein will lecture on the course of lectures on Jewish history.

1919 Plans for University Day.

Boots have been reserved for every member of the Senior Class for the coming University Day exercises. The various classes will meet at 3:30 on the morning of February 22, near the Union League Arms, and from there march to the Academy of Music in a body, each class marching behind its individual class banner.
