START ANTI-TABACCO CAMPAIGN ON CAMPUS

Medical Men Will Attempt to Convince Student Body of Harm From Smoking.

INTEREST DISPLAYED IN DRIVE

In order to bring University student domicile and the evils of the tobacco habit, a number of medical men have launched a drive on campus.

Authorities declare that a great deal of the American Army smoked. It is declared that the habit of smoking is one of cancer produced by smoking. Smoking is looked upon as being forbidden the use of tobacco.

Coach Rigs, senior faculty, has just returned from a freshman's game, after making a series of personal appearances, and is out of the question for athletes. Varsity manager, a freshman, an athlete, is near to the line of the school and if a student fails to show up for a game, he is easily located. In the near future, the students will be limited to the use of tobacco in the office. This will be necessary to transfer several thousand dollars.

1919 CLASS RECORD STARTS

DRIVE FOR SUBSCRIPTIONS

Sale of subscriptions to the 1919 Class Record has started, and both the business and editorial candidates are already at work, endeavoring to obtain the maximum number of sales. All "highers" who have not yet obtained blanks will report to Circulation Managers, Prayson Friday afternoon at 10:45, in the Record's office, basement of Logos Hall.

H. T. Prayson, 1221 Walnut street, is the official photographer for the 1919 Class Record, and members of the class are asked to attend these individual photographs at once, in order to assure an early appearance of the Record on the campus. Mr. Prayson is sincerely asking that members have amusing pictures, as well as individual photographs. The names and addresses of those who are not requested to secure their likeness. In doing so, in order to make the appearance of the book more uniform.

Members of the 1919 Class are still in the service, and will not be able to attend their individual photographs. Any Senators who know of the whereabouts of these men or who can obtain their photographs are asked to communicate with Editor-in-Chief. The office hours of the editor and the various managers of the 1919 Record are from 10:30 to 11 daily, in the Logos Hall.

OUTDOOR CREW WORK DELAYED.

Cold Weather Makes Practice on River This Week Uncertain.

Due to the unexpected cold weather, it now appears possible that it will be necessary to advance the date on which rowing practice was to be transferred from the crew room to the river. Coach Wright, however, is still hopeful that there will be a sufficient drop in the temperature during the week to permit taking at least one of the big combinations to the boat house for the initial trial of the teams on Friday or Saturday.

It has long been decided that James Ten Eyck, the famous coach, will return to Princeton again this season. Ten Eyck's star heavyweight Freshman eight made an excellent showing at the Patriot Regatta held at Annapolis last spring, and with the return of nearly all of these men to college, the crew has some very promising material for rounding out a strong Varsity crew to be entered in the intercollegial little year.

Fencers Prepare for Yale.

Many members of the fencing team are receiving their final instructions before this Saturday's meet at New Haven with Yale. Prospects are very good for a victory, as the team has developed very satisfactorily. Four members of last year's team have come back, including Captain Charnock and Simpson. Several new candidates have also reported who are skillful with the foils, especially Reitner. The team has but not yet been pieced together, but the list will be out in a few days.

Wigs Call Out Dancers.

Chairman of the dancing committee, the junior men are receiving their final instructions for tonight's meet before this Saturday's meet at New Haven with Yale. Prospects are very good for a victory, as the team has developed very satisfactorily. Four members of last year's team have come back, including Captain Charnock and Simpson. Several new candidates have also reported who are skillful with the foils, especially Reitner. The team has but not yet been pieced together, but the list will be out in a few days.

The Dean's Trophy. There is still an appreciable number of entries from all the colleges, and the panels will be out in a few days.

The Junior Book. The Junior Book will be sold at the smoker and 2 o'clock. It is imperative that those who signed up at the smoker and 2 o'clock be present at the book, as everyone is asked to communicate with the Dean-in-Chief. The office hours of all members of the 1919 Record are from 10:30 to 11 daily in the Logos Hall.
