sion of his own words: "With malice toward none; with charity for all; with firmness in the right as God gives us to see the right, let us strive to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and his orphan—to do all which may enter our power as a nation to assure just and lasting peace among ourselves and with all nations.

RATIONAL RUSHING RULES. — In order to make an impression on the fraternity members thereby it is not necessary for the Freshman to:

1. Attend more than six mixers in one evening.
2. Smoke profusely for "sociability".
3. Attend more than six smokers in one gathering.
4. Exhibit as near normal and rational as many when unaccustomed to smoking normally.
5. Lounge around the fraternity after a meal instead of going to class—on a W. O. L. of civil life.
6. To neglect all scholastic duties and ac-

Men of 1922, never lose sight of the fact that this rushing game is an old fact that this rushing game is an old one, and that the later on.

In spite of the fact that it is not customary for the returning students to take an active interest, but the students are

**GLEE CLUB PERFORMS TO-NIGHT**

Annual Pennsylvania Night to Be Held at Franklin High School

At the Pennsylvania Night of the Glee Club this evening, the University Glee Club will make its initial appearance of the season. Rev. John H. Hart, Jr., of the Christian Association, is to make the dedication of the new building, followed by a recital of the evening. Howard Perry and James West, captains of the A. A. C. football team, will stage a boxing match, while a short song and a football quartet will be performed and a contest held between two well-known universities this year.

Pennsylvania High School is an event at the Pennsylvania Night, and for several years, has been the largest private and most interesting meeting in the northeastern section of the city. The University performances tonight are in accordance with the precedent established by previous years of University organizations taking part in this annual function. An invitation is extended to all University students and their friends to attend.

**RECORD NEEDS PHOTOGRAPHS**

Seniors Asked to Secure Pictures of Men Still in Service

Any Senior who can secure photographs of members of the 1918 Class who are still in the service is asked to see Philip Price, editor-in-chief of the Class Record, at once. The editors of the Record wish to insert the photograph of every 1918 Class member, whether he be back with the Class term this year or not, and it is only through the absent member's classmates that this data can be obtained.

Individual photographs should be ready for insertion not later than March 15, and all photographs coming in after this date will be charged an increased price. R. H. Pott, 1211 Walnut Street, will be in charge of the individual photographs. Mr. Pott offers a special rate for group pictures, and leaders of the various teams and societies are asked to consult him before arranging to have their group pictures taken.

**CHESS TEAM TO PLAY BURHOLME**

Intercollegiate Championships Will Be Slated on February 22

Pennsylvania will act as host to all college chess players of the state when the Intercollegiate Individual Chess Championship will be staged here. The contest for the championships will be held daily and will be played on the morning of February 22, at Houston Hall.

Due to unavoidable circumstances, the Dual Trophy Match with Columbia, scheduled for this Saturday, has been postponed. Captain Carlson has announced that a match has been arranged with the Burholme Chess Club for this evening. Following noon report at 900 and Market streets at 10 o'clock for the match: Herman, Princes, Eylsman, Collier, Steiger, James, Riddle, Witkow, Scherr.

**TO ROW ON RIVER BY SATURDAY**

At Least Two Crews Will Commence Outdoor Practice This Week

It is now asserted that at least two Pennsylvania crews will be rowing on the river by next Saturday at the latest. With the advent of the cold weather spell, Coach Wright thinks that there is no chance of the outdoor work being delayed on this account.

Practice has been held, and the weather being pleasant yesterday, as the result of a large number of the men being absent to take the spring examinations held in the Wharton School. With the outdoor work now reaching its final stage, Coach Wright wishes to emphasize the importance of the coming week, and dates keeping up their attendance during the next couple of weeks, in view of the demands of the coming regatta, the 1919 Class Record.
