TO CONSTRUCT TENNIS COURTS.

Wharton School Site Will Be Utilized For This Purpose.

With the announcement that fourteen tennis courts will be available for this year, the prospects of the sport have materially brightened. Heretofore, the enthusiasts were limited to the use of six courts in back of the Law School, but eight additional courts are to be constructed on the site of the proposed new Wharton School, a half block south of the present location, on Woodland avenue.

The committee in charge wishes to emphasize the necessity of payment of the annual dues. No one is allowed to play on the courts until the annual obligation of twenty dollars has been met. Dues can be paid at any time at the office of the Tennis Association in the Law School.
