Our Spring Suits and Spring Overcoats are pouring in every day!

The big events we have been passing through have stimulated designers and weavers to produce patterns and color schemes of unusual as well as of timely beauty. The great Victory the World has won for decency and for civilization is commemorated in a new stripe to which we have given Victory's name. You will like the pattern—and you will also like the models and the lines of the new Spring Suits it has been cut into. Come in and see!

GAZETTE ON CAMPUS TODAY

Editorial: Advocate Establishment of Freshman and Sophomore Departments.

Interesting articles and editorials feature the name of the Pennsylvania College, which appears on the campus today. Two of the editorials are of special interest, one regarding the practice of carrying in the University as "old friends" or "pals," the other devoted to the establishment of the University, in addition to creating Freshman and Sophomore, establish a department which would have charge of Freshman athletics.

The notice of articles in the "Days of Our Pathers," is an article entitled "Two Pennsylvania Girls," which will be of special interest to the faculty. These girls, the daughters of the Rev. Present, William Smith, are told to be the best events in the University. Records of Pennsylvania's dead in the great war are assured by its own names which the Gazette gives along with a report of the course held in New York to determine uniform methods for preserving these areas of the University who gave their lives to the war.

Frankford Club Elects.
Bill G. Harrison, '28 C, was re-elected president and Francis Q. Thorne, '21 E, was re-elected secretary at the last elections of the Frankford Club held in Houston Hall on Thursday. The club composed of alumni of the Frankford High School tries to interest graduates of that institution in the possibilities which the University offers them, and to help those who matriculate here to enter fully into the numerous activities which are open to them.

Fraternity, Baseball Boosts.
Yesterday was the last day for the students to enter the Intramural Baseball League. While the list of entries has not been checked as to its size, it can be publicized, a large number of applications are known to have been received. Both Major Pickering and Coach Thomas are gratified with the support that has been given the league. The schedule for the first game for April 7, and several teams have already begun to practice.

Student Naval Reservists.
According to a recent ruling of the Navy Department, members of the Naval Reserve Force who are on Active duty may obtain release from all obligations by enrolling in the R. O. T. C. However, before a release will be given, the applicant must furnish proof to the Commandant of the Naval District in which he serves that he attends an educational institution mainaining an R. O. T. C. and that he will immediately enroll in it.

R. O. T. C. Work Progresses.
Work in the Reserve Officers' Training Corps has been progressing rapidly. A regular schedule, which includes drill, the practical and theoretical work, is in active operation, with Lieutenant White conducting the classes. Although more students have been signing up all work, the regular hundred have not been secured. Until this quota is reached the work will go on at present.
