Easter Suit

It is well to place your order now for your Spring suit and avoid the inevitable rush later. Style restrictions are now removed, with the result that there is no "standby" on patch pockets, Norfolk Jackets or double-breasted suits: with the passing of the war, brighter fabrics have also come to the front.

Our truly comprehensive stock of the best foreign and domestic wools is now at its best, from which your clothes will be made with that touch of distinction and individuality for which we are noted. Suit, $40 to $70.

CORNELL ENTERS STRONG TEAM FOR RELAY CARNIVAL

Erman of Princeton and Smith of Cornell Strong Aspirants in Hurdle Events.

Judging from Cornell's long list of entries in practically every event, Coach Mosley's men will make a strong bid for championship honors in the Relay Carnival at Franklin Field on April 25 and 26. A four-mile relay team was entered Saturday by the Princetonians. With McDermott and Moran, two of last year's veterans, as a nucleus, this combination should prove unusually fast.

Cornell is strong in the special events. In the hurdles, Real, the indoor champion of America, will oppose Erman of Princeton, in one of the feature races of the games. Felton, the Scotchman, broad jump champion, will compete in his favorite event, having a team of mule-backable one of the most versatile athletes ever produced by Cornell.

Coach Mosley is hoping for the great number of older distance runners he has developed in recent years, among whom have been John Paul Jones, Hodges, and Winans, who, that the showing of this year's distance men is being eagerly awaited. State and Chicago have two of the strongest distance teams ever grouped in the West. This year's clash between the East and West will be one of the features of the meet.

CAPTAIN MCCALL DECORATED.

Receives D. S. C. Posthumously.

Announcement was made Saturday that Captain Howard Clinton McCall, of 298 C. 735, L. I., who was killed in action on July 28 of last year, has been decorated posthumously with the Distinguished Service Cross. Captain McCall was leader of Company G, Fifty-fifth Regular Infantry, which sailed for France on May 5, and was shot while leading his men in battle. His brother, Major Joseph B. McCall, stated that the decoration had not yet arrived, but that more citations have been forwarded by the War Departament.

While in the University Captain McCall was far second on the varsity football and baseball squads. For several years he took part in the Mask and Wig shows, and was a leader in Christian Association work. At the beginning of the year he entered the first Officers' Training Camp at Fort Oglethorpe, from which, he graduated with his commission as captain. He was a member of the Sphinx Senior Society. Zeta Psi fraternity.

Philadelphia Play Tryouts.

Tyrians for the casts of the Russian plays of the Philomathean Society will be held here 7:30 this evening, in the chaperones. This year Philos is venturing into an entirely new field in attempting to get on some of the classic Russian plays which is admitted to be unique and artful. It is conservatively unknown, but offers ample opportunities for anyone interested in serious dramatic work. All persons interested are urged to report at Philos rooms at this time.

First Laurel Salute.

Excellent form was shown in the first laurel achievement of the season, held Saturday on Franklin Field. Four members of last year's team were on hand to assist Coach Goldsmith in introducing the new men, and a strong team is anticipated, with the veterans as a nucleus. Warmun, a star on the 1918 team, received a broken nose in the scrimmage and will be out of the game for several weeks.
