A MINOR SPORTS CARNIVAL.

From the time the basketball season closes until track and crew begin definite operations, a period of from two to three weeks, hopes annually. During this interval the possibility of making the minute hours of University men who have been accustomed to supporting some week-ends, work out on Franklin Field or in Wrightman Hall. As a result these men are prone to 40th town for a party of older by New York for the week-end.

There is nothing essentially wrong to the two aforementioned "indoor sports." It would be a great deal better for all concerned, however, if these men could be entertained on the campus, and what could turn the trick in more approved fashion than the minor sports?

The first two weeks under question comprise the period through which we are passing right now. With activities all arranged, it is natural, then, to consider activity this year, but preparation should be made for 1929. Friday and Saturday of either or both weeks might be known as the days of a Minor Sports Carnival. In interest of all this class of athletics, could then be pushed, so that it is Wightman Hall on Franklin Field a program of contests might be arranged which would interest three stands of students. Gym, track, field, swimming, water polo, soccer, and tennis might all be contested on the outside, but many of the large colleges of the East appear on this year's tentative schedule which has just been announced. The schedule in full is as follows:

Saturday, May 2, Meek Academy at Annapolis. May 3, Southwest at home. May 14, Columbia, at New York. May 21, Hopkins, at Baltimore. May 24, Georgetown, at Washington. May 31, Lafayette, at New Brunswick. June 2, St. Agnes, at South Bethlehem. Negotiations are also under way with Harvard and Yale and several other universities. Today at 1 I seek all candidates for assistant manager are to report to the tennis at the Sigma Chi, 3600 Chestnut street. A meeting of the Tennis Association will be held tomorrow in Price Hall, Law Building, at 12 o'clock, at which the program is to be discussed.

Stickmen to Meet in Houston Hall May Report for Squad, Scranton Times.

Several lacrosse teams are practicing daily in Maxwell Field, in preparation for the first game of the season which is to be held with Swarthmore College. They will take place to-morrow at 1 o'clock, in Houston Hall, the old natty arena. Among the men who have come out for the team recently are Happer, the football star, and Bancroft and Zucker, of the basketball squad.

Our Spring Suits and Spring Overcoats are pouring in every day!

The big events we have been passing through have stimulated designers and weavers to produce patterns and color schemes of unusual as well as of timely beauty. The great Victory the World has won for decency and for civilization is commemorated in a new stripe to which we have given Victory's name. You will like the pattern, and you will also like the models and the lines of the new Spring Suits it has been cut into. Come in and see!

TO FORM SOPHOMORE WATER POLO AND SWIMMING TEAMS

At the request of the Undergraduate Council, President Buchanan, of the Sophomore Class, issued a call for candidates for the class swimming and water polo teams. These men will compete with the Freshman representatives in a meet to be held in the near future which will count one point towards awarding the Dean's Trophy. The winner of the swimming squad, has assumed charge of the event, and has asked that the members of the class report at the pool in Wightman Hall at 6 o'clock and after noon this week. The first meets will take place before.

Prospects for a winning 1921 aggregation are good, as many members of the regular swimming squad will be eligible. Rockhill, Ralston, Hanbury and Meyer will probably form the backbone of the polo team. Martin, of the University team, will dive and swim in the 50-yard event and relay. Berron will enter the 220-yard race and Meyer will probably form the backbone of the polo team. Martin, of the University team, will dive and swim in the 50-yard event and relay. CUPPERS IN TOURNAMENT

Held Elimination Contests to Decide Team for Intercollegiates.

In preparation for the intercollegiate wrestling championships, which will take place at State College Friday and Saturday, the University wrestlers are rapidly rounding into form. An elimination tournament is being held to determine the University champion in each division, the winner in each class to represent Pennsylvania in the intercollegiates. The finals of this tournament will take place tomorrow. Every man on the team is in good condition with the exception of Denby, who is recovering from a recent illness, and Green, who is still over weight. Miller, captain of the 135 team, and Intercollegiate champion in the 160-pound division, has been working on the mat and helping Coach Riggs to get the men in trim. Coach Riggs has also been aided by Okabe, the Japanese wrestler, who is a partial student at the University and ineligible for the team.
