ANNOUNCE TENTATIVE
CLASS DAY PROGRAM

ACTIVITIES CONNENCE ON JUNE 12 WITH THE SELLING DANCE AND END ON JUNE 17.

CLASS MEETING FRIDAY AT 1.

To discuss various tentative activities to be held in the near future, a meeting of the Class of 1919, known as a meeting of the Class of 1919, has been called, and is to be held on June 17th, at 4:30 P.M., in the Class Hall. Immediately after the class meeting, William L. Namm, chairman of the Class of 1919 Committee, will call the meeting to order, and present the following outline of the meetings:

1. Tentative arrangements for Class activities have already been made, and the details of the plans are now outlined.
2. The class at its meeting on Friday, June 17th, will consider the plans as now outlined.
3. The meeting is open to all members of the class.

STUDENT SELECTIONS ARE TO COMPARE THE MUSIC "NUMBERS" PROGRAM FOR THE CAMPUS CONCERT.

FINALE RICITAL OF THE YEAR.

For the purpose of selecting the program of the final recital of the year, the members of the Interfraternity Agreement, in its usual form, will be in charge of the final recital of the year. The final recital of the year will be held on Thursday, April 18th, at 8:00 P.M., in the auditorium of the University. The final recital will be conducted by the University Band, and will include the following numbers:

MORE CANDIDATES NEEDED FOR FRESHMAN BASEBALL

Yearlings to Make Seven Trips During Season—Variety Men Sought—More Saturday.

"In order to maintain the freshman baseball record of no defeats in four years, the freshman baseball team must report for duty," announced Franklin Coach Letts yesterday. Interest in freshman baseball has fallen off to a great extent, and with the present lack of enthusiasm in the freshman ranks, efforts are not good for completing the hand schedule successfully. Freshmen who have had experiences in baseball should report at the earliest opportunity. No team has been selected, and all have equal chance of winning the championship given to those participating in a big game.

The schedule of ten games calls for three games a week, two of which are to be played on the Princeton campus. The first game of the season, scheduled for Friday, April 12th, is to be played against Franklin. The third game of the season, scheduled for Friday, April 19th, is to be played against Princeton. The final game of the season, scheduled for Friday, April 26th, is to be played against Franklin.

Fencing Teams Strengthened.

With the return of Lieutenant Clapp and A. G. Utter, the fencing teams are prepared to meet the national tournament. The teams are now in perfect condition for the national tournament. The teams are now in perfect condition for the national tournament. The teams are now in perfect condition for the national tournament.
In the inletfill of the United States, a new dawn was breaking. The month of June brought with it a promise of change, as the Pennsylvania State University prepared to welcome its new students. The faculty was proud of this lead, which Pennsylvania daily fully believed would be sufficiently impressed, and upon a large scale turned their attention to their work. The $3.30 membership was deemed to be a small price, even in the average status of the student, who was not used to the luxury of buying Adder's Association. The reward of the man who has done the best man should win a competition. The reward is a happy moment with the Missouri Library, the reward is not considered an end.

The need of Physical Education is a concern of great importance to the university. There are many of these traditions that are valuable in the university, but the university considers that for this amount all these events the best man should win a competition. The reward is a happy moment with the Missouri Library, the reward is not considered an end.

Success in undergraduate activities is not always induced by honors or titles. Too often the men of our university are concerned with honors, and who get the benefits that result from the competition a man who has worked earnestly and faithfully may have seen accomplishing nothing.

The Art of Fabrication, which was started earlier in the term, got under way without the accommodation of much cold rain. Authorities of our Athletic Association stepped forward, however, while other schools held back, and put up the match. The work of the Athletic Association is the present status that cannot care for all of these contracted dates. War-time athletics is a question of "a pulling out, nothing coming in" period, so that our Athletic Revival, which was started earlier in the term, got under way without the accommodation of much cold rain. Authorities of our Athletic Association stepped forward, however, while other schools held back, and put up the match.

The Pennsylvania Daily was proud of its position, which our university has taken hold, and now it is up to us to back this pride with a membership.

Three dollars and thirty cents is a ridiculous sum of money even to the average "broke" college man. When a college man or when the one who has done the most for Pennsylvania should warrant the most consideration.

Flannels for Spring are the Tip to Very Nifty Dresses!

We felt it in our bones, so we just went to flannels.

We caught the first spurt of the looms when they swung to Civilians after the Armistice, and we bought the ninetieth flannel ever seen! Then we made them up in new and double-breasted models designed and cut on new lines, the like of which a young fellow never put on his back before!

Waist lines are high; lapels are long and generous; snugness and trimmness are their middle names.

Colors—plain and in new stripe effects never before woven, because Victory was their inspiration, and Victory Stripes are their name.

Junior—Following report second, from Houston Club today at 1.45, or 1, or Barber at Phi Sigma Kappa house.

Plan Basing Tournament

With the elevation of boxing to a minor sport, much interest has been manifested in the game. Dr. McKeen is arranging the boxing rules, set to the government for training camps, so as to enable them to apply to intercollegiate contests. The authorities have been trying to schedule contests with members of the I. C. A. A. A., and it is hoped that acceptance will be received in time for the intercollegiate game meet at Westphal Hall, May 2.

PREPARE FOR THE DEAN'S TROPHY CONTEST

Preparing for the Dean's Trophy basketball game which is to be played in Weigleheim Hall at 7:30 next Wednesday evening, the Providence team last night held their first practice. From the showing made, it is probable that the few men who composed the阵容 during the season will play at that time. The present lineup is: Graves, center; Springs and Rosend, forwards; Peters and Boyle, guards, and Macintosh and Seeman, substitutes. Another Freshman practice will be held tonight.

OF the Sophomores, the most promising candidates are McNiel, Moon, and Zachar, of the 'Virgins' squad, and Willard, Speaker, Schwartz and Baxter. The second year men, whose class luncheon takes place the day before the game, are to organize a cheering section, to secure one of the stands during the contest.

HOLD BIDDLE TROPHY CONTEST

1922 Swimmers to Meet Girard College Team Saturday.

Coach Kedley has planned several important swimming events in the Wrighteman Hall pool for next week. The most important of these events will be the open competition, on April 14, at 5 o'clock, for the Thomas Biddle Trophy, which is given each year to the winner of the 88-year race. It is open to all students of the University, and it is expected that there will be many contestants.

Next Saturday the Providence swim meeting will commence against Girard College in Weigleheim Hall. Considerable interest is being shown in this meet, for the Freshmen have an unusually strong team this year. The relay teams, composed of Armstrong, Bualli, Macart and Unra, is the nation's leading relay team which has been here in some time, and it is expected that they will give a good account of themselves. The swimming competition for the Dean's Trophy, between the Sophomores and Providence, will be held on Tuesday, April 8, at 5 o'clock. This meet will mark the opening of the series for the trophy.
