FRESHMAN SWIMMERS DEFEAT GILDER COLLEGE TEAM

Armstrong Features Meet—Leopold Wins Middle Atlantic Title in Century Swim.

In a swimming meet, which was fostered by Armstrong's remarkable showing in the one-mile swim directed Gilder College 33-11 on Saturday, the onedeadzered, the Red and Grey were proved by their outstanding swimming in the main event. The main event was the 800-yard relay, in which Pennsylvania was represented by Wm. Leopold, Kenneth Armstrong, and R. M. Gurney. The race was neck and neck through the 500-yard dash, coming in first in the third third and Armstrong and Gurney. Gurney, in the third round, gained six feet for the Red and Grey, and a very fine performance. By a remarkable oops, finished a few feet ahead of the others. Armstrong. The time was 2 minutes 33.45 seconds.

Shake-ups in Junior Workouts Becoming More Strenuous

The first round must be played off on the 9th of April, and in the Middle Atlantic meet with Hill School, on April 15, will be in a position to give the most finished fencer. COMPULSORY A. A.

A "nanny has a good excuse for being inexcusable—for failure to adapt herself to charged conditions. He can't be blamed because he doesn't keep abreast of modern progress." We quote, but our thought centers upon the situation at a campus situation. We are not unaware and we have a stern for nicety. We should move more and move fast, realizing that in these momentous days even to stand still, we must run as everything.

For years the Athletic Association has operated under difficulties, impeding the student body to become identified in a part of its harmony which which delighted in ignoring facts that the dawn of a new day seems. Here at hand, we hasten to sanction this plan. It was planned to present to the University. As it is the only one, the only paid with the greatest pleasure. The meeting of the Board of Trustees will be watched with special interest. A long poll and a strong pull will turn the trick right over—a stroke while the iron is hot.

WORTHY OF SUPPORT.

Tonight the first contest for the Diamond Trophy will take place, when the two underclassmen meet in a basketball game in Weigle Hall. The success of this contest and succeeding ones will depend upon the interest shown by the Sophomores and Freshmen. There is no branch of interclass competition which offers more possibilities. A representative audience will not only affect other contests this year, but the terms of the Diamond Trophy.

The known ability of the contestants should attract much attention, but this is not the most important reason why all members of the two classes should be present. Class spirit is involved. If the classes are not enough interested in this respective teams to render every possible support, they have failed of the class spirit which means so much in interclass strife.

Looking out and a half billion men cannot be the thing that has ever helped Germany, but the same for which the lives were given. The coming Liberty Loan will not be easy to find in this country, but think what the job would be like in the Fatherland.

Now that preparations are being made by the state to swing on ticket speculators, there should be no difficulty in securing excellent seats at reasonable prices for the Philadelphia Orchestra's concert on Thursday night.

Jupiter Flaminus missed the first home field victory of the season on Saturday. No matter, we shall reserve all of our launching bullets for Euterpe to-morrow, meanwhile insisting that J. P. will "play ball" for the remainder of the season.

AGGRAZETE ISSUE INTERESTING.

Scholzman's Week Program Announced and Memorial Planned.

Chief among the articles of interest appearing in the current issue of the Pennsylvania Gazette is the complete program of the Scholzman's Week Convention, which is to be held April 10, 11 and 12. More than 2,000 delegates are expected to attend. Among the most important speakers from other states are Dr. P. C. Crispin and Hugh A. Magill.

Plans for a new home to house the Franklin memorial were also given in this issue. Senator Patton last week introduced a bill in the Legislature providing an appropriation of $500,000 for the erection of this memorial home for the American Philosophical Society, to properly preserve the Franklin memorials. The success of this plan depends upon the fate of the appropriation bill.

Dr. Altschul Talks Tonight.

Handicap Meet Entries
Total over two hundred
Exhibitions javelins throw between Berry and Bartels feature of next Saturday.

Final arrangements will be made within the next two days for the Varsity Handicap on Saturday. Wednesday is the last day on which entries may be made or changed. Coach Robertson will arrange the handagrs at that time. There are over two hundred entries in the different events at present, and the last three days are expected to almost double that total. The 100-yard dash has proved to be the most popular, so that close competition is assured in the final heat.

The half-mile relay race between the Varsity team and the picked Alumni team has caused much interest and speculation as to its result. Studder, Lowrey, Lennon and Meredith, who will represent Pennsylvania's graduates, are four of the finest of the University's former track stars. If the Varsity relay team is able to make a good showing against this quartet, it will give them confidence for the Relay Division.

Not many entries have been received for the 600-yard run and the Javelin throw. Trophies have been presented by the Athletic Association for these events, as well as the 100-yard dash, and there is an excellent opportunity for contestants proficient in either to win a cup. The trophy for the 600-yard run was given in memory of Frank Walker, and the one in the Javelin throw and 100-yard dash in honor of Robert Heath and James Bonsack, respectively. All these were undergraduates who were killed in action.

An event of particular interest will be an exhibition Javelin throw between Mr. Terry Uorry and Mr. Hartels. Berry held the pentathlon title for two years when he was an undergraduate. Bartels is the present champion.
