HONOR COMMITTEE TO REPORT

For the purposes of nominating officers for next year, the Wharton Association will hold a meeting in Room 454, Logan Hall, at 1 o'clock today. Members of the faculty having classes from 12 to 1:15 have caused to be placed there a few minutes early in order that this meeting may begin promptly. President Harrell is anxious that everybody turn out, as this will be one of the last meetings of the year. The election of officers is the most important business of the meeting. The selection of the chairman of the Honor Committee is especially significant. The last two days at the end of the semester, regardless of sides, were reserved for discussion. Wharton, W. H., Campbell, and A. Orlov.

Annual Track Meet on May 17.

In order to get the proper facilities for the annual track meet which will be held on Franklin Field May 17, the committee had to put forth a considerable amount of extra time and effort to get the proper facilities for the affair. The committee had to secure the support of the Senior Class students of the Philadelphia High Schools for the Jugate.

STUDENTS AND ALUMNI UNITE.

Many subjects of interest to the un-
dergraduates are broached upon in this month's issue of The Alumni Register, in a joint report of the Trustees of the Mission to the Trustees of the University, comprising the Reports of its various Committees. The Report of the Committee on College deals with some length on the recent situ-
ation, and shows the alumni to have the same feeling as that held by the present students of the University. The report says:

"In a report of this nature the im-
portance of prompt action, let us see not of the alumni but of the Liberal Edu-

COMEDY IN PHIL. PLAYES.

Tomorrow's Meeting is the Last Regular Meeting of the Year.
Among the numerous sidelines of comedy in the Phila. plays, which will be presented at this Little Theatre on May 17, "A Tragedian in Spirit, of Humor" holds the most surprise for the audience. Acted and spoken in the original Russian, it portrays the curious situation of a would-be tragedian in violent discussion with a critical friend. The altercation becomes somewhat involved in the playwright's wares until finally ending in a free-toss pillow fight.

Tomorrow's meeting will be the last regular gathering of the year. Special meetings will be held at other times during the remainder of the term, but other exercises will take place on the traditional Friday evenings.
