EXPECT KEEN COMPETITION
IN CHILD'S CUP REGATTA

Final preparations for the Child's Cup contest are being made by Coach Wright in order to put the crews in the best condition possible. Long practice has been held by the Columbia and Princeton Varsity and Freshman eights, which will take part in that regatta. Only one more work-out will be held before that day, and then the varsity leaves for Princeton, but several practice apps will be given the morning of Labor Day. Complete prior to the race on Saturday.

The Child's Cup regatta this year is expected to be closely contested, as both Princeton and Columbia have strong crews. Princeton entered as a crew race with Yale on the Housatonic a few weeks ago, lasting by only a short distance. The Orange and Black boat has been shaken up since then, and is considerably stronger when it met the Yale. The Varsity defeated Yale by only three lengths, and the showing of Princeton against Yale rates them as a strong contender for the trophy.

Much interest is also being shown in the Columbia crew, as the crew has not been entered in a race this year. The Columbia eight, which have been practicing on the Hudson for several months, have a large amount of material from which to choose the first crew, and under Coaches Gillett and Phillips, a fast combination is expected. The Columbia boats were coached at the beginning of the season by "Jim" Rice, who has developed many winning Eight.

Racquetball in Contact.

Playing at the Morton Cricket Club, the University tennis team will meet Lafayette in an exhibition match tomorrow afternoon. At the same time preliminary matches of the Junior Class tournament will be played. The semi-finals will continue on May 29, immediately after this match exhibition ends will be played by the following men: Walter E. Johnson, Carlton Schmer, Craig Riddle, and William Timm. A charge of 50 cents will be made for admission to the contest.

Record Proofs Corrected.

The proof copies of the 1919 Class Record remain unsold, according to the final report of sales by the candidates. The remaining books will be sold only through the Record office as the condition between the candidates has been strained to a close. All of the original proofs have been corrected and are ready for return to the printer. It is expected that the Record will be ready for delivery the first week in June.

Phil. Ticket Sales Large.

Ticket sales to the four Philomathic shows to be given next Monday at the Little Theatre are large. The society will not be able to fill the desired seating accommodation in the evening show, and those planning to attend at that time are urged to get them as early as possible. The seating arrangements are more modern, and a number of good seats for the afternoon performances are still available.

To Avoid Boiling Insignia.

As boxing is now recognized as one of the minor sports of the University, the Athletic Council has decided to add some material to its regulations. The Council also ratified the election of Bob Lewis as acting captain and Roland Apfelbaum as acting manager of the team. A meeting of the entire squad has been called for 5 o'clock to-day, in the boxing-room.

Seniors Must Wear Gowns.

All members are required to wear caps and gowns for the closing ceremonies of the class. The committee in charge has been hampered by lack of uniforms. Former members of the graduating class. Those who have lost their gowns are invited to see Slusser & Little, chairman, at 32nd and Spruce street, as soon as possible. No orders will be received after Friday, May 16.

Plan Northeast Day.

Final arrangements for Northeast Day will be made at a meeting of the Student Biography committee and representatives of the Northeast club today at 3:30, in Houston Hall. There will be no general meeting at this time.

Save Your Razor Blades

You buy a SAFETY RAZOR—use it once or twice or possibly three times, then the edge is dulled. Why throw it away? Is there any excusable reason for doing so—except for the reason that you have no way to sharpen the blades?

Bring them to us!

We will "sharpen them good as new" for just a few cents per dozen, and our service will be given out as soon as payments are made by those who order them. The canes may be secured from Cambridge, 386 South Thirty-sixth street, or from a member of the committee, which includes Edwards, Thomas, Staggs, Simons and Braun.
