Pennsylvania Wins Easy Victory in Pooh-Bah Tourney on Franklin Field.

To Oppose Yale to-morrow.

In an uninteresting game on Wednes-
day, Harvard was upset and overthrown by the Varsity, which scored 21 to 6.

The game, which was not started on time because of the rain, was held on the four-

quarters field. The score was 12 to 4 at the half time.

Four times in the game Harvard was

out of bounds, and twice brought in seven

men in this first half.

Three other times brought the score to 18, 18, and 18, and Harvard was managed to put two men around the

ball in the third.

The game, on the whole, was poorly

played. Harvard fumbled five times, and was bought for 

the most part against the "Varsity" defense.

The Harvard team, which was the

better of the two, was not able to

score a single point.

In the "Strangler in the House,"

the Varsity team scored four points in

the first inning, and were leading by a

score of 4 to 0 at the half time.

The Varsity manager, as usual, was

on the score sheet, and the game was

played with great spirit.

I have regarded their positions not played a more vital part in the University it is natural that every effort. Mrndy, --

major sport team should individually where improvement was not neces-

sary be granted to this great Pennsylvania is investigating.

If the Undergraduate Council can be upon a plan within the next two

weeks it should put it into force before next year. If it is considered be-

worthy the power of the Council to arbi-

trarily make such a move, then the idea should be submitted to the stu-

dent body for a referendum vote. If for private and political reasons the

system is disapproved, there is only one thing left to do; private public ac-

count against "office-grabbers" in such an extent that it will automati-

cally put an end to the evil.

From the University of Wisconsin comes the announcement of a general raise of salaries of our own faculty comes a new statement that Harvard profes-
sors, who have been agitating for in-
creased pay for some time, recently formed a union and become affiliated with the Boston Central Labor Union. With this knowledge comes the infor-

mation that increases have been granted. Yale faculty also received an in-

crease within the last month. Which goes to show that Pennsylvania is not the only school which has been in raising salaries because of the lack of sufficient funds.

RECORD ENTRIES IN ANNUAL INTERSCHOLASTIC MEET

Many Strong Track Teams Will Compete in Yearly Affair on Franklin Field To-morrow.

Over two hundred schoolboys from preparatory and high schools throughout the East will compete in the eighteenth annual Interscholastic Interscholastic Championship Field and Track Meet on Franklin Field to-morrow afternoon. The return of athletes to their pre-war activities will mark this meeting the largest and most important athletic event in the United States.

Due to the unusually large number of large boy teams entered, hard competition is expected, and it is difficult to predict which will come off first. The three winners in the Princeton Interscholastic Meet, last Saturday, will also compete, and will fight hard against George-town Academy, the winner of last year's meet, and Pittsburg Central High School. The Philadelphia schools, Central and Standard are expected to enter the best squads.
