SOPHOMORE BALL CLOSES BIG WEEK

Many Novelties Attraction Will Feature Class Affair Tonight in Weightman Hall.

DECORATIONS TO BE PATRIOTIC

Winding up a week of varied activities and directly following the swimming carnival, the student will celebrate the annual Sophomore Ball in Weightman Hall this evening.

The class has spared no efforts to make the affair one of the most brilliant ever held in the University, and the committee will be striving to bring back a climax to the week.

You are reminded of our recent victory in war, patriotism will be the keynote of the evening, and the decorations, so that there may be no crowd formation, will be arranged.

Many prominent Philadelphia society matrons will act at patronesses, so that there may be no crowd formation, and the march led by the officers of the class, will commence at 8 p.m. in front of the campus four years ago. It has since

THE FESTOONS OF RED, white, and blue will add a festive touch to the Sophomore Ball this evening. The festoons of red, white, and blue will add a festive touch to the Sophomore Ball this evening.

Save Your Razor Blades

You buy a SAFETY RAZOR—use a

blade once or twice or possibly three
times, then the edge is dulled. Why

throw it away? There is an inexhaustible

reason for keeping your razors sharp—

the reason that you have no way to

match it!

Bring them to us.

We will sharpen them good as new

for a few cents per dozen, and our

work is done by experts. When they

are sent in, bring them again.

PROCTOR'S BIRTHDAY WILL FEATURE HELO-DAY EXERCISES (Continued from First Page) 

June twenty-third birthday, Pennsylvania has called him as one of her most loyal alumni since 1875, when he first attended the University. Later he served an Instructor of Chemistry, and in 1880 he became Vice-President, holding that honor until 1881, when he was elected as the head of the University. Enraged to the hearts of all Pennsylvanians, he has not only made friends at the University, but is every corner of the globe, where his name is celebrated as an author, chemist and true man of science.

After the customary devotional services of church this morning, the main event of Her-Day will take place. William C. Spalding, Governor of Pennsylvania, will address the congregation. He was the recipient in February of the year of the honorary degree of LL.D., conferred upon him by the University. Edward Martin, who also speaks, is one of the most famous surgeons in the country. He was instrumental in organizing the University Base-Ball Club, having returned from France, Colonel Martin is now State Health Commissioner. Morris L. Clothier is a member of the Board of Trustees of the University and an intimate friend of Governor Spalding. He received the degree of LL.D from the University in 1891. Announcement will be made of the ceremonies of the junior prize-awarding.

The exercises will, as usual, be held in the Big Triangle, which will be accompanied by the Combined Musical Clubs and the University Jazz Band. As a fitting close to Her-Day, the Sophomores will give their press in the late evening in Weitmann Hall.

PLAY AT SYRACUSE TODAY.

Varsity Lacrosse Team Plays Orange and Blue Aggregation. Playing away from home, the Ithaca men meets Syracuse this afternoon. The team left last night at 7 o'clock, and will arrive at Syracuse about 10 o'clock this morning. All the players are in good shape for the game except Waxman, goal, who will be unable to play on account of a broken thumb. De Korn, the star forward, will take his place. Final practice for the contest was held yesterday afternoon.

Pennsylvania is out for revenge over Syracuse this year. Last season the latter beat the Red and Blue decisive-ly, and from all indications the com- test this year will be close. After the game this afternoon, the teams will make an overnight trip to Geneva, N. Y., where it will oppose Hobart Col- lege. Hobart has made an even record this season, having defeated Yale and other Eastern colleges.

CHEMISTS HOLD LAST MEETING.

Business Session to Be Followed by Light Refreshments. Concluding the work of the year, the Princeton Chemical Society will meet in the Hamilton Chemical Labora-tory at 6 o'clock tonight, in final gathering of the year. The speaker of the evening is Martin S. Minor, who for a number of years has been the chief chemist of the West- bach Mastic Company. He will dis- cuss the history of incandescent gas lighting.

Chicago Commencement Date.

President Smith announced yesterday that the trustees decided to hold the annual Commencement this year on Thursday, June 19, instead of Wednesday, June 18, as previously announced. The ceremonies will, as usual, be held at the Metropolitan Opera House.

Punch Bowl on Sale Today.

Punch Bowl will be for sale on the campus today. This is the final mag-azine of the year, and is called the Sahara number, "Thirst in peace, thirst in war, thirst in the heart of the countrystyle" is the motto which the editors have given this book.
