FRATERNITY COUNCIL PRESIDENT
ISSUES STATEMENT TO FRESHMEN

[By John McNicoll, Editor.]

It is necessary also that a fraternity which is looking for a ' man like you ' be given an opportunity to find out you before the season for recruiting opens. When centers begin to exist, as they found them in the past, it will be the hour of fraternity, and the time to accept the right spirit and letter agreement. The freshmen are expected to show the same high spirit and agreement, which was found in the right-thinking gentleman, and give the plan for only a plan.

Football Season Opens.

"opening game of the season." If there is a reason on this campus why a team organizing committee shouldn't be formed, it is deserving of pity and sympathy. These words should quicken the spirit of every man and make him determined to do all in his power to bring about the formation of a committee.

If this struggle, on Franklin Field, we will find audience; for the first time in the history of the University, optimism prevails. Optimistic critics and student followers have predicted at Pennant-ville that we shall be able to draw to games.

And there is reason for this confidence. No three or four recent events of this year could have been nominated in the past on either the first or second string. But these are the results chosen by the heading writing officials and editors.

If anything, University football is in a condition to compete for either the editorial or student manager report to Manager Scan- ton. The neighborhood churches welcome the Freshman team, and a schedule is now-under consideration for the Junior team.

MAKE THE DARTMOUTH TRIP.

As an innovation and especially for the benefit of those who will be present at the meeting of the Students' Council, the College will extend an invitation to the students. The meeting will be held at 3:30 o'clock at the Students' Council, 5th Street. All students are cordially invited to attend.
