Two Hundred  
Sign Up for Crew

Candidates for crew will not please all. This year the Wharton Yarn is to open the Sports Rally on Franklin Field early next week, to encourage the interest of the other teams in the University. A new feature of the rally will be the cross-country meet, which will attract an unusually large number of spectators.

All of the men who did not report previously for the cross-country meet will be required to meet the requirements of the state athletic association. The cross-country meet will be held on Saturday, October 10th, at 8 o'clock, at the intersection of Locust and 30th Streets. All men who wish to compete in the meet should report to the University Editors on Wednesday, October 7th, at 3 o'clock.

SETTLEMENT HOUSE REOPENED.

Christian Association Makes Call for Social Volunteers.

Active preparations are now under way for work this fall at the University Settlement House, which is a service department of the Christian Association. The Social Service Committee of the Christian Association, which has been appointed in advance, will be announced next week. This committee, which will be representative of the student body, will conduct a campaign to secure volunteers for the work.

This service takes place chiefly among the boys and girls' clubs, especially those athletic, musical and dramatic of both colleges. It includes a medical and dental dispensary, conducted largely by students from the corresponding departments. Classes in sewing, cooking and sanitation for mothers and older girls will also be held.

Many student volunteers are needed to carry out this program. They are solicited by the Social Service Secretary, in Room 11, Houston Hall, or at the Settlement House, at Twenty-sixth and Lombard streets, where they can fully investigate the work.

Golf Tournament Monday.

Playing on the links of the Merion Cricket Club next Monday, Pennsylvania golfers will compete in the annual fall championship of the University. The winner will receive a gold medal and have his name engraved on the Gilbert Cup. The entrance fee is $1.50, live cents. Membership on the spring golf team will be greatly influenced by the showing Monday, and it is urged that all the players, including first-year men, report to Captain Daniel Rhoades, 300 South Thirty-sixth Street, between to-day and Friday noon.

Sophomore Class to Meet.

Acting President Siegfried, of the Sophomore Class, has called a class meeting, to be held tomorrow at 1 o'clock, in the auditorium of Houston Hall. The purpose of the meeting is to discuss the question of class dues. A committee has been appointed and will start work in a few days.

DON'T take a fellow's pipe. Take some other possession. Because wrapped up in his pipe is a fellow's peace of mind, his relaxation, his contentment. This is more than true if it's a W D C Pipe, because then a good smoke is multiplied many times over. Our special seasoning process takes care of this by bringing out all the sweetness and mellowness of the genuine French briar. Just you go to any good dealer and select several good shapes. Put them in your rack. Smoke a cool one every time, and you'll be well on your way to pipe-happiness.
