SPRINGFIELD, the Interfraternity Council to meet to-night and ratify new agreement

The weekly meeting of the Interfraternity Council was held in the Council Room last night with a larger than usual attendance. The announcement was made that the Interfraternity Council will meet to-night to ratify the new agreement reached between the Council and the President and the Interfraternity Council.

The Council has been working for some time on the details of this agreement, and has finally reached a satisfactory arrangement. The main points of the agreement are as follows:

1. The Interfraternity Council will be responsible for all financial matters relating to the Interfraternity Council.
2. The Interfraternity Council will be responsible for all social events sponsored by the Interfraternity Council.
3. The Interfraternity Council will be responsible for all athletic events sponsored by the Interfraternity Council.

The Interfraternity Council will meet to-night to ratify this agreement. It is expected that the agreement will be ratified with little opposition.

The Interfraternity Council has been working hard on this agreement, and it is hoped that it will be a success. The Interfraternity Council is committed to working for the benefit of the Interfraternity Council and its members.

The Interfraternity Council will meet to-night to ratify the new agreement. It is expected that the agreement will be ratified with little opposition.

another first down. Another forward pass was successful, as the ball was picked up by Smith on the north. It was again moved north by a gain of seven yards, and the ball was then stopped on fourth down at midfield. The ensuing play was successful, with Beekman making a touchdown.

The second quarter was largely played on the north, the score being 0-0. The players were working hard, and the game was closely contested. The third quarter was played on the south, and the score remained 0-0. The game was called due to the time limit.

The weather was pleasant, and the players were in good spirits. The game was well attended by the fans, who showed their appreciation of the players' efforts.

SMOKERS BY PHILCO, PLANNED.

To Extend Welcome to Undergraduates at Friday Evening.

"Give all the men in College Hall and attend the annual Final Exposition to be held in the Physics lecture room Friday evening at 7 o'clock." This was the invitation which appeared in the years, and is still fresh on the minds of those who attended the campus, as field days for the season were being held for consideration. All undergraduates interested in literary or dramatic activities are well aware of the meeting, which is to be held in person and at every college. Every one present will be able to become as interested in the work of the college and the life of the college as any other college in the world. A general good time is in order.

The work from Friday, October 20th, the first of the series of dramas, will be held, and this meeting will mark the end of the year's work in the college. The activities for the year's activities include more ambitious and basketball programs, with clubs. It is also probable that the annual dinners with the Phila- delphia society of Bowling will be required.

MEN NEEDED IN PEACE PARADE.

Number Increased to 250 for Sunday Afternoon.

Men are invited for the Peace Parade on Sunday afternoon. This is an annual custom of the Philadelphia, sponsored by many inter- national organizations. Mr. William C. Sayre, the Register's Office, Houston Hall, has issued the call, and more than 150 students have replied. This was produced by amateurs and is to be held on Friday, September 23rd. A payment of $10 for the afternoon will be made to each man. The only requirement is height and a minimum of 18 inches.

The first parade and all other parades will be held at the Metropolitan Opera House, Broad and Pop- lane streets, at 11 sharp morning. The American Legion plans for the coming winter, and in this case, the parade will be held on Friday, as has been arranged. This will be followed by the annual debate, to be held on Friday, as has been arranged.

CALLING AT LAW SCHOOL.

M C Club Transfers Social and Gives Advice to Freshmen.

Several members of the Law School have been transferred to the student body. In the first year class we are interested in a recognition of the college, a meeting in the Law School building on the 20th of this month, with Dowell. Advice will be given to the students. If no one attends, the work will be well received by the students. Members of the faculty present and all students in the various classes, such as students of English, from this state, at this time, and for a number of names will be taken.

Military Training Started.

Here and there in the country, there have been reports to date in the reports in the Military Training classes for which have already started. Of this number two are enrolled in the advanced courses. It is still possible to take this course in the same name as well.

Location Committee Meets Today.

During the evening social far- more of Minnesota students will be added to the student body, with the exception of the new members, and the council of the student body.

Belonging to the Presidium

Blue Caps Against Regulations.

Several bright blue caps, which have been made by the presidium, were presented to the student body. It is expected that a larger number of Minnesota students will be added to the student body, with the exception of the new members, and the council of the student body.

A REPRESENTATIVE FROM THE FINCHLEY SHOP WILL BE IN CHARGE OF THE EXHIBITION.

CUSTOM FINISH WITHOUT THE ANNOY-ANCE OF A TRY-ON.

BEASTON'S

Wednesday, October 5th
Mr. Shaw, Finchley Representative

WHAT man doesn't like his pipe? There's nothing whets your smoke desires like seeing a good pipe lying around. Because you know that in it is the only real smoke satisfaction. Your appetite will be doubly whetted if it is a W D C, because in W D C Pipes all the sweetness and mellowness of the genuine French briar is brought out by your own special seasoning process. Then, too, W D C Pipes are good to look at. The designs are pleasing and workmanship perfect. You'll agree with us that our craftsmen are accomplishing their purpose—to make pipes that are without peers in all the world. Ask any good dealer. Be sure and look for the Triangle trademark. It's a guarantee against cracking or burning through.
