NAME WHARTON CAMPAIGN TEAM

The names of members of the four teams of the Wharton Association are as follows: Team One was announced by Robert Gallmayer, Team Two by John Thompson, Team Three by Robert Judd, and Team Four by Robert Gardner.

There will be one team of five men each, so that students may compete for the championship of membership. Each team is permitted to have no more than one member of the faculty. The rules for the election of the Wharton Association will not be restricted to securing members for the Association at the expense of the student body. The members of the teams will be elected on a basis of merit, and the results will be announced shortly.

The personnel of the teams will be as follows: Captain Farles, of the water polo team; Captain Theissen, of the football team; Captain Hopper, of the basketball team; and Captain Cohee, of the gymnastics team.

HOSPITAL TOTAL SHOWS INCREASE

FOREIGN STUDENTS GIVEN HOSPITALS CLUB HOUSE

With a large attendance and an overflow of good cheer, the annual meeting of the International Students' House was held at the University Hospital last evening. A hearty vote of thanks was tendered to the committee for the arrangements.

The program included special feature, Verma, an Indian student, who spoke on the subject of "The Indian Student in America." The University Hospital and the University Hospital Association provided the entertainment for the evening.

GRIDIRON MEN IN SNAPPY PRACTICE

Cold, snappy weather had its effect on the practice of the Grimmen Men, and the practice closed for the winter. However, it will be taken advantage of their first opportunity to play in a formal game.

The practice was held in Franklin Field at 4 o'clock, and candidates for the team were announced by Robert Gardner, "The Wharton Association," and Captain Theissen, "The Grimmen Men."

Commander Read will speak on the subject of "The American Boy." Mr. Intosh, chairman; Hovde, Custer; and Johnson, the first and second teams lined up on the field for the program. The reason for Fatima's popularity is "JUST ENOUGH TURKISH!" Instead of containing too much Turkish as do the expensive straight Turkish cigarettes, Fatima contains just enough Turkish—just enough to take right and just enough to leave a man feeling right, even when he smokes more than usual.

You, too, will be proud of Fatima's package as soon as you meet Fatima's quality.
