Chinese Students Celebrate

Chinese Students celebrate Commemoration of Birth of the Republic of China in "_double_Tai Festival."

To commemorate the hundred anniversary of the founding of the Republic of China, the Chinese student Club held a reception at the Student Union last evening. The Chinese Club, in charge of the reception, prepared a Fascinating banquet for the Chinese students in the auditorium on the third floor of the Union. The guests were seated at the banquet hall and received a flower stalk in recognition of their presence.

"Our Hospital"

One more plea for help has been added to the oratory of the day. At the present time, one of the largest movements in Philadelphia is the University Hospital appeal. Present benefactors, leading women agents, almsmen and almshouses, street collections, and mother's and father's assistance make up the cost of hospital care. To aid this movement, a "Dollar Man" is on the way. But this will seem like a terrific price if we have been called upon to support all the publications, agents, and have put our part into the source.

To work for this help in the hospitals of the University is a task of a lifetime. Let the honor system prevail in this effort, as we need the help, and are asked to put up with it.

"Our Hospital"

The Pennsylvania School of Mines is in the hands of the students. The University has been taken in hand.

The Allegheny Society Men stationed on the field to take up the stands and put out money for some special purpose. The money will be used for the Student Union and for some special purpose.

"Our Hospital"

As mentioned before, the stands were the instigators. They have been listed as the principal instigators. However, the students have paid their various bills. The Pennsylvania will pay for all the expenses, and then, every Pennsylvanian as a citizen, will be called upon to sign for the success of the movement.

The Pennsylvania will hold their annual "Fourth of July" a day of life, a day of honor, a day of victory. We will meet in the auditorium on Tuesday at 11 o'clock, in Room 144, Logan Circle to hold the banquet.

No change in the regular order is necessary. The students will be present to act as business men.

DELAWARE TEAM MEETS VARSITY

(Continued from First Page)

Wharton Teams to Meet

With the beginning of the meeting of the first Friday, representing the different schools, the North Eastern High School, one of the strongest sectional teams on the field, will meet the Northeastern High School of Philadelphia. Both will have one of the strongest sectional teams, composed of the best football players of the city. They are something of the same height, the Northern having an advantage in the line. The Wharton team is likely to be more open field running, with light, agile players on the field. A. William, Bell, Bitzer and Pearson of the North Eastern High School will be the best players of the line. The North Eastern High School will be composed of all first-string players, and after a drill in their line, will go to an open field recruiting. The Wharton team is likely to come out with a number of first-string players, and with both the first and second team playing, they will be up to the field. However, the men will be drawn from the Wharton team and from the junior team, ready to put up the battle of fifteen men, and when the whistle goes, they will be out to win.

Cambridge Athletics Association promises that no students will be allowed to smoke while the game is played. Members of the senior and junior house of the Wharton team will be on hand to see that these instructions are observed. A new seating plan will also be adopted today. Students will be able to sit in the middle of the field. The Wharton team will start right away, after a quarter of an hour's warm-up.

North East High School Plays Meeting. Organized many years ago for the purpose of recruiting the North Eastern High School of Philadelphia, North Eastern High School has one of the strongest sectional teams of all the city. They are something of the same height, the North Eastern High School having a good team and generally considerable class, the friendships made to high school, and the junior teams nationwide.
