Berkshire Life Insurance Company

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been in such popular favor as now; nor when a time was so dependent upon life insurance as now; nor when a time when people are generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no investment of capital and offering features such as few lines of business offer.

NINE cases out of ten, the man who once smokes a W D C Pipe becomes a life member of the W D C club. He can’t help it, because a W D C pipe is a man’s pipe. Its strength and mellowness as carefully selected French briar and expert seasoning can make it. Not only material of the first water, but craftsmanship of the highest order, and designs that are completely original, all combine to make the W D C Pipe a smoke of peace, contentment and satisfaction. A man’s smoke. Any smoker will agree.
