Too much Turkish
or
Just enough Turkish?

Perhaps this is the main reason why so many smokers of Turkish cigarettes keep switching to Fatimas. Too many Turkish cigarettes keep switching to Fatimas.

Leaving aside that, instead of cutting down the number of cigarettes per day, they can cut down on the proportion of Turkish in each cigarette.

How to reduce on Turkish

THEY can do this by switching from any Turkish to pure Turkish, or "Turkish blend" cigarettes.

The pure Turkish blend cigarette ever made - and the one which has always held first-rank importance - is Fatimas.

Fatima contains more Turkish than any other Turkish cigarette.
