A THLETE COUNCIL ADOPTS AMENDMENTS IN REGULATING RELEASE OF PRESS NEWS

At the meeting of the University Athletic Council yesterday afternoon, both the statement of appointees of four coaches were read and reported, and the President then announced that the American Physical Education Association has called a meeting of all the coaches of the universities and colleges of the country to be held at the University of Pennsylvania.

The President then announced that the University of Pennsylvania, by a unanimous vote, had been chosen as the host and will start the meeting. It was then carried to the University of Pennsylvania, by a unanimous vote, that the President of the University would be the host and that the meeting would be held in the hall of the University of Pennsylvania.

The meeting will be held on March 15, and the President of the University will present a certificate of the meeting to the President of the University at the opening of the meeting.

BETTER SEATS WANTED.

Students are usually sorry for their judgment when they know the facts. In view of this the following communications regarding the A. A. ticket novice seems to indicate that there is a misunderstanding in the present system. To use an old saying, "Where there is so much smoke there is probably fire." It is probable that it is not too late to do something about the present state of affairs. The system is on the same foot as the students are going to have to pay two dollars extra for a seat that should have been included. Football games are primarily athletic events and the students should have the first opportunity to see them.

The system is to come by equally borrowing or lessening the student seating capacity. At big games the price of the seats, if it is secured, is probably unreasonably high. It is as a reason why there should be any public sale at all. If the student association wants to make a profit, it should at least all the seats they have.

If there is any way in which the sale of seats for the Cornell game can be restricted so that trade should be immediately resumed.

PITTSBURGH vs PENNSYLVANIA

Having seen their football team, players in the best that has had line has in every manner, get down in two unexpected defaults of two consecutive victories, the students are still uninformed. These losses would be excepted to discourage many people to go to Pitt. The student association of our undergraduate body is made of student staff.

The B A and Pennsylvania games were not easy to lose and still less Pitt. The reason for the failures of the students are still of the opinion that the Pennsylvania team is better than in all the previous games to have been played. That seems to have been the case. The students are still uninformed. We may be defeated by superior team, but we are the better team. This afternoon our team is expected to battle the Illinois team against Pitt. Whatever the result, a great victory will be Pennsylvania, as Pitt is always in the same position. It seems to be the logical time to do it. Despite the stories of a clipped teams which have emanated from the Pitt, there are not to be taken too seriously. Pittsburgh has never yet seen a poor team on the field.
