Fencing Meets Give Team Trips

British and American fencing teams opened the regular season on Friday night in the basement of Houston Hall. Two meetings were scheduled, and both were won by the Americans. Eight of the British team are new, and the Americans won mostly by scoring winners. The American team continued its winning form on Saturday night with victories over the teams from New York University and the Pennsylvania State College. The Pennsylvania State team, while not scoring a winner, showed that it was not entirely defeated. The American team won the consolation match, and the meet was气氛

We are always ready to talk with young men about entering the life insurance business and connecting themselves with this Company.

There has never been a time when life insurance has been such a popular favorite as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance is so generally recognized as a necessity. Because of these conditions the business opens a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.

In this age of reconstruction there are big jobs ahead for men who have the "sand" and education to undertake big things. "Sand" is confidence and good clothes inspire it, especially clothes that have the style and the tailoring that give you entrance anywhere. Society Brand Clothes rank in highest favor with men who don't want "second best." Due to the fine hand-tailoring every garment receives, the style remains until the fabric wears out. Always out-done.
