MEMORIAL ROOM NEEDED.

It is becoming more evident each day that Pennsylvania lacks the financial means necessary for the erection of the University memorial building and the installation of the necessary equipment therein. Such a memorial building and equipment are entirely in keeping with the University's educational ideals and work and are fully justified.

The University and its alumni are now organized toward the raising of funds for the memorial. A committee has been formed to co-operate with the Memorial Committee in the successful raising of the necessary funds.

I hope you will be interested in this appeal for funds and will co-operate with any of the above committees for the purpose of raising money to erect the memorial building and equipment. The Memorial Committee has fixed the following dates for the Memorial Commemoration:

**MEMORIAL DATES:**
- Saturday, November 10
- Monday, November 12
- Tuesday, November 13
- Wednesday, November 14
- Thursday, November 15
- Friday, November 16
- Saturday, November 17
- Sunday, November 18
- Monday, November 19
- Tuesday, November 20
- Wednesday, November 21

I hope you will join with me in this appeal for funds and see that it is successful.

Very truly yours,

[Signature]

We are always ready to talk with young men about entering the insurance business and connecting themselves with this Company. There has never been a time when life insurance has been in such popular favor as now; nor a time when people are so dependent upon life insurance as now; nor a time when life insurance was so generally recognized as a necessity. Because of these conditions the business offers a great opportunity for young men starting in life, requiring no invested capital and offering features such as few lines of business offer.
